PRECAUTIONARY STATEMENTS

We care. Scotts® products are designed with care to grow a healthier, greener lawn.

A Green Lawn Is a Good Lawn - A healthy lawn can allow the soil, produce oxygen and prevent runoff and soil erosion. You can make a difference - Help keep our water resources clean. Apply this product only to your lawn, and leave any product that lands in the driveway, sidewalk or street back onto your lawn.

REGULATORY INFORMATION

DO NOT FORGOT TO APPLY嵴s SCOTTS® Am POLISH® Am POLISH®

FILL & SET SPREADER

APPLY

* Add up to five seeds per square foot of lawn.
* In a row or in a square pattern, place seeds on the soil surface. Where seeds are not visible, place seeds at a depth of 1.5 to 2 cm (1/2 to 3/4 in).
* Water seeds immediately after planting to ensure proper germination. Where seeds are not visible, water seeds at a depth of 1.5 to 2 cm (1/2 to 3/4 in).

CLEAN-UP

You must decide within 24 hours of sprinkling fertilizer. This helps prevent weeds from growing in the soil. Apply a pre-emergent herbicide to prevent the growth of weeds.

Benefits of Multiple Feedings

1 ANNUAL FEEDING

2-3 ANNUAL FEEDINGS

4 ANNUAL FEEDINGS

FEED REGULARLY

Regular feedings provide the nutrients your lawn needs to look its best and help prevent the crowning of weeds, drought & disease activity.

Mow and Leave the Grass Clippings on Your Lawn

Moving high shoulders for grass to grow a deep root system & helps your lawn use water more effectively. Grass clippings also add the plant nutrients back into the soil.

Conserve Water

Water less often for more efficient use of available water. Feeding with Scotts® Forum helps grow a deep root system & helps your lawn use water more effectively. Grass clippings also add plant nutrients back into the soil.

**AVISOS DE PRECAUCIÓN**

**RIESGOS AMBIENTALES:** Este pesticida es tóxico para los peces y los invertebrados acuáticos, y puede afectar de manera adversa a las plantas que no se pretendía eliminar. El desperfecto y los escorzos pueden ser perjudiciales para los organismos acuáticos de las zonas adyacentes a las áreas tratadas. Para proteger el medio ambiente, no permita que el pesticida penetre o se recrudezca a áreas de consumo, castillos o aguas superficiales. La aplicación de este producto en un área marina, cuando no haya un protector de lluvias para las próximas 24 horas, asegurará que el viento o la lluvia lo difundan. La aplicación del pesticida en áreas superiores a la superficie del agua puede resultar en contaminación del agua del subsuelo. La aplicación de este químico tiene propiedades y características que lo asocian con sustancias químicas detectadas en aguas del subsuelo. El uso de este producto químico en áreas donde la tierra es permeable, en particular durante la temporada estival, puede acarrear la contaminación del agua del subsuelo. La aplicación de la medida descrita en este documento puede ser aplicable en áreas donde el agua del subsuelo es permeable.

**ALMACENAMIENTO Y ELIMINACIÓN**

**ALMACENAMIENTO DEL PESTICIDA:** Guarde en un lugar seco. Almacene el producto en su envase original, en un lugar seguro y alejado de los niños y las mascotas. **ELIMINACIÓN Y MANEJO DEL ENVASE DEL PESTICIDA:** Este envase no se puede rellenar. No vuelva a llenar este envase. Si está vacío, tirelo a la basura o, si está disponible, ofrezcalo para reciclaje. Si está parcialmente lleno: Llame a su agencia local de desechos sólidos para obtener instrucciones sobre cómo eliminarlo. Nunca elimine el producto no utilizado en drenajes internos o externos.

**NOTICE:** To the extent consistent with applicable law, buyer assumes all risks of use, storage or handling of this product not in accordance with directions.

**AVISO:** En la medida contemplada por las leyes aplicables, el comprador asume todos los riesgos de uso, almacenamiento o manejo de este producto si no se siguen las instrucciones.

**SCOTTS NO-QUIBBLE GUARANTEE®**

If for any reason you, the consumer, are not satisfied after using this product, you are entitled to get your money back. Simply send us evidence of purchase and we will mail you a refund check promptly.
