CaviWipes AF® is formulated to disinfect hard, non-porous, inanimate environmental surfaces when the treated surface is allowed to remain wet for 2 minutes.

**DIRECTIONS FOR USE**

This product is not to be used as a terminal sterilant/high-level disinfectant on any surface or instrument that (1) is introduced directly into the human body, either into or onto the body (such as endoscopes, needles, catheters, medical devices, and implantable devices), or (2) is expected to inactivate all Influenza A viruses including Pandemic 2009 H1N1 Influenza A virus.

**CLEANING/DEODORIZING:**

For heavily soiled surfaces, clean before disinfecting. Use only on external surfaces of ultrasound transducers and probes. With a clean washcloth, clean gel from external surface of the ultrasound transducer or probe to be disinfected. Then thoroughly wet probe with towelettes. Treated surface to be treated. Treated surface must remain visibly wet for 5 minutes for disinfection:

- Staphylococcus aureus
- Enterococcus faecalis Resistant
- Escherichia coli (E. coli) O157:H7,
- Staphylococcus epidermidis
- Pseudomonas aeruginosa
- Klebsiella pneumoniae
- Enterobacter cloacae
- Serratia marcescens
- Pseudomonas species
- Acinetobacter baumannii
- Candida albicans
- Cryptococcus neoformans
- Aspergillus niger
- Torula species
- Histoplasma capsulatum
- Cryptococcus neoformans
- **VIRUCIDAL ACTIVITY:** CaviWipes AF® is an effective virucide on hard, non-porous surfaces. CaviWipes AF® is non-irritating to the eyes, skin, or mucous membranes when used as directed.

**STORAGE AND DISPOSAL**

- **PESTICIDE STORAGE:** Treatments of disinfectants should be performed in areas where the temperature is controlled between 65°F and 80°F (18°C and 27°C). Disinfecting solutions that exceed the strength or pH limits of the equipment should not be used.
- **STORAGE:** Store in an area inaccessible to children.
- **DISPOSAL:** When handling items soiled with blood or body fluids use disposable latex gloves, gowns, masks, and eye coverings.
- **REORDER No. 13-8100**

**CONCLUSIONS**

For chemical emergency ONLY (spill, leak, fire, exposure, or accident), call CHEMTREC at 800-841-1428 or visit our website at www.metrex.com.
