NOTE TO PHYSICIAN

Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment. You may also contact (24 hours) (800) 242-9000 CHEMTREC for emergency medical treatment information.

Probable irreversible damage may contraindicate gastric lavage. Treat symptomatically. No known antidote.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: Cancers. Causes skin burns. Do not get in eyes, on skin, or on clothing. May be fatal if swallowed. Harmful if absorbed through skin. Harmful if inhaled. Avoid breathing dust. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using the toilet. Wear goggles or face shield and rubber gloves when handling this product. Remove and wash contaminated clothing before reuse. May cause skin sensitization.

PERSONAL PROTECTIVE EQUIPMENT (PPE): Appropriate F-F (front panels), long-sleeved shirts, chemical resistant gloves, and eye protection such as safety glasses with side shields or goggles or face shield must be used when applying the product.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish, aquatic invertebrates, crustaceans, and shrimp. This pesticide is expected to be toxic when in contact with terrestrial or aquatic plants. Do not discharge effluent containing this product into sewers, streams, ponds, septic systems, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewage systems without previously notifying the local sewage treatment plant authority.

For guidance contact your State Water Board or Regional Office of the EPA.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE: Store in a cool, dry place away from heat, moisture, and direct sunlight. Precautionary statements: Harmful. Do not contaminate reuse pesticides with this product.

PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinse water to a violation of Federal, State, and Local laws. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representatives at the nearest EPA Regional Office for guidance.

CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. Triple treatment (or equivalent) promptly after emptying. Triple treatment as follows: Empty the remaining contents into an approved application equipment for rinsing. Fill the container with 3-1/2 liters of water. Reduce and tighten closures. Tip container on its side and roll 1/4 turn. Repeat this procedure two more times. Then offer for recycling. If not available, recycle. Place empty containers in refuse collection services. When filled, inspect containers and use approved treatment procedures prior to disposal.
