PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Read entire label before using. Havoc® contains rotenone and is highly toxic to domestic animals and wildlife.

Precautionary Equipment (PEP): Always wear protective clothing (rubber boots, jacket, gloves) when handling or applying product. Halt application if rain occurs or if product does not dry properly. Do not mix or store with incompatible pesticides.

User Safety Requirements:
- Keep containers tightly closed and out of reach of children.
- Keep product out of the reach of children.
- Use product only as directed.
- Do not use this product near water bodies.
- Do not use this product on or near food or water for livestock.

ENVIRONMENTAL HAZARDS
The product is a mixture of rotenone dust and water, contains no metal or other materials that could be degraded in the environment.

READ THIS LABEL. Read the label on Havoc® rodenticide before using it on or near domestic animals. Do not use this product on or near food or water for livestock.

DIRECTIONS FOR USE

REGISTERED USES: Havoc® is registered for use on and around corn, soybean, cotton, and other crops where rotenone is commonly used.
