CAUTION: EYE & SKIN IRRITANT. HARMFUL IF SWALLOWED. KEEP OUT OF REACH OF CHILDREN AND PETS. Do not mix with other chemicals. Contains Ethyl Lactate, Cinnamon Oil and Garlic Oil. Avoid contact with eyes, skin and mucous membranes. Wear eye protection and gloves. Use with adequate ventilation. Do not inhale fumes. Do not ingest. Wash hands thoroughly with soap & water after handling and before eating, chewing gum or using tobacco. **First Aid:** If In Eyes: Flush thoroughly with water for 15 minutes, removing any contact lenses, and get medical attention. If On Skin: Flush thoroughly with water for 15 minutes. If irritation persists, get medical attention. If Swallowed: Do not induce vomiting. Drink two or three glasses of water and get immediate medical attention. Call a poison control center (1-800-222-1222) or doctor immediately for treatment advice. **Storage/Disposal:** Store in original container and reseal after each use. Do not reuse container. If empty, place in trash or offer for recycling if available. If partially filled, call your local solid waste agency for disposal instructions.

**DIRECTIONS FOR USE:** (Read entire label before using).

**Siphoning Systems** - Add 1 gallon per 30 gallon tank. Fill remainder of tank with water or other American Hydro products.

**Injection Systems** - Add 2 gallons per 30 gallon tank. Fill remainder of tank with water or other American Hydro products.

**ProFeeder® Systems** - Connect ProFeeder directly to bottle using quick connect cap or fill tank to desired level (do not add water).

**Pump Sprayer** - Add 4 oz. per gallon of water.

**Hose End Sprayer** - Fill and set application rate to 4 oz.

Enhance your outdoor living space and get the most out of your irrigation system with American Hydro Systems products:

- GrassSoGreen® fertilizers provide a healthy, green lawn
- NatureShield® provides mosquito free living
- Rid O' Rust® Rust Stain Remover easily removes exterior rust, calcium & lime stains
- Rid O' Rust® Rust & Calcium Stain Preventers prevent ugly irrigation staining.

All American Hydro Systems products are compatible and can be used together.
