DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Restrictions:
• Do not allow adults, children, or pets to enter the treated area until vapors and mists have dispersed, and the treated area has been thoroughly ventilated.
• Do not allow adults, children, or pets to enter the treated area until sprays have dried.
• In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Exposed food should be covered or removed.
• Remove pet, birds and cover any water inhabited by fish such as aquariums and ornamental fish ponds before application. Turn off aquarium filtering systems before spraying and wait approximately 15 minutes after application before turning the filter back on.
• This product is safe for use on humans. If insect infestations should occur on humans, use a product labeled for use on humans.
• Application as prohibited directly into sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies, or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.
• Not for broadcast use on indoor residential surfaces.

KEEP OUT OF REACH OF CHILDREN
See side panel for additional precautions.
Read entire label before each use.
