This product is Step 3 of a three step lice control system.
Step 1: Kill lice with lice killing shampoo. Reapply in 10 days.
Step 2: Comb out eggs & nits with a combing gel.
Step 3: Clean home. Use a multi-use lice spray for non-washable items. Washables should be washed in hot water and dried in high heat.

FIRST AID

If on skin or clothing:
• Take off contaminated clothing;
• Rinse skin immediately with plenty of water for 15-20 minutes;
• Call a poison control center or doctor for treatment advice.
If in eyes:
• Hold eye open and rinse slowly and gently with water for 15-20 minutes;
• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye;
• Call a poison control center or doctor for treatment advice.

HOT LINE NUMBER

Have the product container or label with you when calling a poison control center or doctor for treatment advice.

NOTE TO PHYSICIAN

Contains petroleum distillate - swallowing may cause aspiration pneumonia.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals
CAUTION: Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco or the toilet. Remove and wash contaminated clothing before reuse.

PHYSICAL OR CHEMICAL HAZARDS

Contains petroleum distillate. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 120°F (49°C) may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not allow adults, children, or pets to enter the treated area until sprays have dried.

In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Exposed food should be covered or removed.

Remove pets, birds and cover any water inhabited by fish (such as aquariums and ornamental fish ponds) before application. Turn off aquarium filtration systems before spraying and wait approximately 15 minutes after application before turning the filter back on.

This product is not for use on humans. If lice infestations should occur on humans, use a product labeled for use on humans.

Application is prohibited directly into sewers or drain, or to any area like a gutter where drainage to sewers, storm drain, water bodies, or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.

Not for broadcast use on indoor residential surfaces.

KEEP OUT OF REACH OF CHILDREN

CAUTION:

See Side Panel for Additional Precautions

Read Entire Label Before Each Use

NET WT 5 OZ (142 g)
for use on humans. Spray only those articles and parts of bedding including mattresses and furniture that cannot be either laundered or dry-cleaned. Do not use on sheets or pillows.

Bedbugs: Spray mattresses, particularly around tufts and seams. Take beds apart and spray into all joints. Treat baseboards, moldings and floors. Spray to the point of dampness but not run-off. After mattress is dry, cover with mattress cover and sheet. Do not use mattress without cover. Repeat if infestation occurs, but not more than once every two weeks.

To Kill Dust Mites (Dermatophagoides spp.) - Use a fan to blow air onto the treated area. Do not use mattress without cover. Repeatedly wash mattress and sheets up to once every two weeks. Check with the mattress manufacturer for mattress and fabric care instructions. If you’re not satisfied, we’ll happily refund your money.
