**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. UseRestrictions:
- Do not allow adults, children, or pets to enter until vapors, mist or smoke have disappeared, and the treated area has been thoroughly ventilated.
- Do not allow adults, children, or pets to enter the treated area until vapors have disappeared, and the treated area has been thoroughly ventilated.
- In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Exposed food should be covered or removed.
- Remove pets, birds and cover any water inhabited by fish (such as aquariums and ornamental fish ponds) prior to application. Terminate aquarium filtering systems before spraying and wait approximately 15 minutes after application before turning the filter back on.
- This product is not for use on humans. Price reductions should occur on humans, use a product labeled for use on humans.
- Application is prohibited directly into sewers or drains, or to any area lik a gutter where drainage is to sewers, storm drains, water bodies, or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.
- Not for broadcast use on indoor residential surfaces.

**SAFE TO USE**

Room protective cap. Hold container upright with nozzle away from you. Depress valve and spray from a distance of 6-10 inches (12 to 15 inches for baseboards, moldings and floors). Test product on an inconspicuous area before applying. To check for possible staining or discolouration, inspect again after drying. Spray to the point of dampness but not run-off. Over application may cause damage. Will not stain surfaces or fabrics where water access causes no damage.

**STOP LIQUID & LEAVE AGG:** Clean home. Use this product for non-washable items. Washables should be washed in hot water and dried in high heat. Spray in an inconspicuous area to test for possible staining or discoloration. Inspect again after drying. Then proceed to spray entire area to be treated. Hold container upright with nozzle away from you. Depress valve and spray from a distance of 6 to 10 inches. Spray each square foot for three seconds. Spray to the point of dampness but not run-off. Allow all treated articles to dry thoroughly before use. If non-inhalation occurs on humans, use a product labeled for use on humans.

**ABC# 10141506**
for use on humans. Spray only those articles and parts of bedding including mattresses and furniture that cannot be either laundered or dry-cleaned. Do not use on clothes or pillows.

Bedbugs: Spray mattresses, particularly around tufts and seams. Take beds apart and spray into all joints. Treat baseboards, moldings and floors. Spray to the point of dampness but not run-off. After mattress is dry, cover with mattress cover and sheet. Do not use mattress without cover. Retreat if infestation occurs, but not more than once every two weeks.

To Kill/ouste/Out/mites: A multi-use lice spray controls house dust mites that may cause asthma, hay fever, rhinitis, eczema and itching. One treatment lasts for up to 8 weeks. On upholstered furniture—test fabric in an inconspicuous area to insure dyes will not bleed. Spray all fabric surfaces until damp. Do not use on delicate fabrics. Allow furniture to dry thoroughly before using. On Carpets—Spray over entire carpet until damp. Hold nozzle approximately 12 to 18 inches from the carpet surface and spray in a sweeping motion. Use an overlapping pattern to insure total coverage. After application, brush the surface of the carpet with a broom or brush to insure deep penetration. After vacuuming dust up in the air those with allergies should have another person vacuum or should wear a dust mask and use a vacuum with a high efficiency particulate (HEPA) filter.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage or disposal.
Storage: Store in a cool, dry area away from children and pets and away from heat, sparks and open flame. Do not transport or store below 32°F (0°C).

Pesticide Disposal and Container Handling: Do not puncture or incinerate.
If empty: Place in trash or offer for recycling if available.
If partially filled: Call your local solid waste agency or 1-800-CLEANUP (258-3687) for disposal instructions.

NOTICE: To the extent consistent with applicable law, purchaser assumes all responsibility for safety and use not in accordance with directions.
