**KEEP OUT OF REACH OF CHILDREN**

READ ENTIRE LABEL BEFORE EACH USE

KILLS LICE & THEIR EGGS

NET WT. 5 OZ (142 g)
for use on humans. Spray only those articles and parts of bedding including mattresses and furniture that cannot be either laundered or dry-cleaned. Do not use on sheets or pillowcases.

Bedbugs: Spray mattresses, particularly around tufts and seams. Take beds apart and spray into all joints. Treat headboards, bedspreads and floors. Spray to the point of dampness but not run off. After mattress is dry, cover with mattress cover and sheet. Do not use mattress without cover. Retreat if infestation occurs, but not more than once every two weeks.

Bed: Place dust milles (Dermatophagoides spp.) in multi-use rinse spray container dust milles that copy and cause allergies, hay fever, asthma, watery eyes and sneezing. One treatment lasts for up to 6 weeks. On Upholstered Furniture - first fabric in an inconspicuous area to insure dyes will not bleed. Spray all fabric surfaces until damp. Do not use on delicate fabrics. Allow furniture to dry thoroughly before using. On Carpets - Spray entire carpet until dry. Hold nozzle approximately 12 to 18 inches from the carpet surface and spray in a sweeping motion. Use an overlapping pattern to insure total coverage. After application, brush the surface of the carpet with a broom or brush to increase deep penetration. Allow carpet to dry thoroughly before reinhillng the treated area. Drying time can be accelerated by using a fan. On Mattresses - Spray the top, bottom and sides of mattresses until dry; paying particular attention to tufts and seams. Allow to dry thoroughly before using. After mattress is dry, cover with mattress cover and sheet. Do not use mattress without cover. Vacuum entire area once dry. Since vacuuming dust up in the air those with allergies should have another person vacuum or should wear a dust mask and use vacuum with a high efficiency particulate (HEPA) filter.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage or disposal. Storage: Store in a cool, dry area away from children and pets and away from heat, sparks and open flame. Do not transport or store below 32°F (0°C).

Pesticide Disposal and Container Handling: Do not puncture or incinerate. If empty: Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency or 1-800-CLEANUP (253-2687) for disposal instructions.

NOTICE: To the extent consistent with applicable law, purchaser assumes all responsibility for safety and use not in accordance with directions.
