READ ENTIRE LABEL BEFORE EACH USE.
FOR PET USE – USE ONLY ON DOGS
PRECAUTIONARY STATEMENTS

Hazard to Humans and Domestic Animals
CAUTION: Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Animals: Harmful if swallowed, inhaled. Consult a veterinarian before using this product on debilitated, aged, pregnant or nursing animals or animals on medication.

Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. DO NOT USE ON CATS: May be toxic or potentially fatal if applied to or ingested by cats.

Accidental application to cats and/or poisoning a recently treated dog may result in tremors and/or uncoordinated muscle movements. If this occurs, immediate veterinary care should be provided.

FIRST AID
If on skin or clothing:
• Take off contaminated clothing.
• Rinse skin immediately with plenty of water for 15-20 minutes.
• Call a poison control center or doctor for treatment advice.

If in eyes:
• Hold eye open and rinse slowly and gently with water for 15-20 minutes.
• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
• Call a poison control center or doctor for further treatment advice.

If inhaled:
• Allow person to fresh air.
• If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.
• Call a poison control center or doctor for further treatment advice.

How the product container or label with you when selling a poison control center or doctor, or going for treatment. For information on this product, contact the National Poison Information Center, 1-800-222-1222, day or night, for emergency medical treatment information. FOR CHEMICAL EMERGENCY: (Spill, leak, fire, or accident call CHEMTREC 1-800-424-9300)

PHYSICAL AND CHEMICAL HAZARDS
Do not use on or near heat or open flame.

ENVIRONMENTAL HAZARDS
This pesticide is extremely toxic to aquatic organisms, including fish and invertebrates. To protect the environment, do not allow pesticide to run off into storm drains, drainage ditches, gutters and surface waters. Applying this product in calm weather when rain is not predicted within 24 hours will help ensure that wind or rain does not blow or wash pesticide off the treatment area. This pesticide is highly toxic to be exposed to direct treatment on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds while these are actively growing in the treatment area.

PERSONAL PROTECTIVE EQUIPMENT
Some materials that are chemical-resistant to this product are listed below if you want more options, follow the instructions for category E on an EPA chemical resistance category section chart.

Applicators and other handlers must wear:
• Long-sleeved shirt and long pants.
• Head protection.
• Chemical-resistant gloves, and
• A NOSH/NIOSH approved respirator with a dust/mist filter with NOSH/NIOSH approval number prefix TC-25 or any N, R, P, or HE filter. Application with motorized equipment is prohibited.

USER SAFETY REQUIREMENTS
Follow manufacturer’s instructions for cleaning/maintaining PPE. If no such instructions for washable mask, eye- and head protection. Keep and wash PPE separately from other laundry. Discard clothing and other absorbent materials that have been drenched or heavily contaminated with this product’s concentrate. Do not reuse them.

USER SAFETY RECOMMENDATION
• User should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.
• User should remove clothing and glasses immediately if pesticide gets inside.
• User should remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

DIRECTIONS FOR USE
If it is a violation of federal law to use this product in a manner inconsistent with its labeling.

RESTRICTIONS:
• Use of handheld sprayer equipment is prohibited.
• Do not enter or allow others to enter until leader has settled.
• Except when applying to pets, do not apply this product in a way that will contact workers or other persons either directly or through drift.

Limited products, or otherwise, shall not exceed the purchase price paid or at PBI/Gordon election, the replacement of product. LIMITATION OF WARRANTY AND LIABILITY
Read the entire directions for use, conditions of warranties and limitations of liability before using this product. If terms are not acceptable, return the unopened product container at once. To change the product, use or label, accepts the following CONDITIONS, LIMITATIONS OF LIABILITY

CONDITIONS: The directions for use of this product are believed to be adequate and must be followed carefully. However, it is possible to eliminate all risk associated with the use of this product. Crop injury, inefficacy, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of PBI/Gordon. All such risks shall be assumed by the user or buyer.

DISCLAIMER OF WARRANTIES: To the extent consistent with applicable law, PBI/Gordon makes no other warranties, expressed or implied, of merchantability or fitness for a particular purpose or otherwise, that extend beyond the statements made on this label. No agent of PBI/Gordon is authorized to make any warranties beyond those contained herein or to modify the warranties contained herein. To the extent consistent with applicable law, PBI/Gordon disclaims any liability, whether special, incidental or consequential damages resulting from the use or handling of this product.
