CONTINUOUS SPRAY POWER

FLEA + TICK HOME AND GO SPRAY

This unique blend of Peppermint Oil and Clove Extract (Eugenol) was carefully formulated to kill ticks, fleas and flea eggs naturally and safely. For over 30 years, Vet’s Best® has blended natural ingredients that work together to comfort and protect your pet.

Kills Fleas, Flea Eggs and Ticks by Contact
Repels Mosquitoes
Fresh, Natural Scent
Contains Absolutely No Pyrethrins or Cedar Oil

DIRECTIONS FOR USE: READ ENTIRE LABEL BEFORE EACH USE AND USE ONLY IN ACCORDANCE WITH LABEL INSTRUCTIONS.

For Pet Bedding, Pillows, Foam Beds, Blankets, Carpet and Rugs:
This product is designed to be maintenance, however, always apply a small amount to an inconspicuous area to test for colorfastness before treating. Shake well. Spray the surface uniformly with a light mist until moist. Avoid soaking. A fine mist is all that is necessary to be effective.

For Use Directly On Dogs and Cats Over 12 Weeks Old:
Shake well. Lightly spray pet’s entire coat until damp. Do not spray as the face, eyes, or genitals. Cover the entire coat including the legs, tail and stomach. Massage into the coat until the product reaches the skin. Repeat as necessary.

Pets may be treated indoors or outdoors. In order to help reduce the occurrence of fleas and ticks, this product is best used year round.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

HUMANS: Caution: Causes moderate eye irritation. Wash hands thoroughly with soap and water after use. For external use only. Prolonged or frequent repeated skin contact may cause allergic reaction in some individuals.

DOMESTIC ANIMALS: Sensitivity may occur after application of any pesticide to pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. Not recommended for use on pregnant animals.

FIRST AID
IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lens, if present, after the first 5 minutes, then continue rinsing eye. If irritation persists, contact a physician.
IF ON SKIN: Wash with soap and water and repeat if necessary. INHALATION: Remove to fresh air. INGESTION: Immediately drink plenty of water. Do not induce vomiting. If symptoms persist, contact a physician.

Storage: Store only in original container in a cool, dry area.

Dispose: In accordance with all Federal, State and Local regulations. Do not reuse this container.
