Flea & Tick Collar for Dogs

KILLS & REPELS
Fleas  Ticks

FOR LARGE DOGS

Stops Movement of Contact Water Resistant

Can be worn with a regular collar

Starts Working on Contact

With the Zodiac® Flea & Tick Collar for Dogs, you can provide your dog with continuous, effective flea and tick protection for up to 7 months. The collar releases a powerful insecticide that repels fleas and ticks, eliminating the need for you to apply ongoing treatments. Simply place the collar around your dog's neck, adjust for proper fit, and buckle in place. The collar will begin to kill fleas and ticks immediately, and its active ingredient will continue to provide protection for 7 months.

**Precautions:**
- Do not allow children or animals to chew on the collar or the pet’s protection
- The collar more frequently, however; do not replace the collar more frequently than every 5 months
- Remove the collar and bathe your pet with mild soap and rinse with large amounts of water
- To assure proper treatment, we recommend use of only Zodiac® products
- Zodiac® Fleatrol™ Carpet & Upholstery Pump or Aerosol Spray or Zodiac® Flea & Tick Powder
- Causes moderate eye irritation
- Sensitivity may occur after using ANY pesticide product for pets
- It is a violation of Federal law to use this product in a manner inconsistent with its labeling

**First Aid:**
- If in eyes:
  - Hold eye open and rinse slowly and gently with water for 15-20 minutes
- If on skin or clothing:
  - Take off contaminated clothing
- If signs continue, consult a veterinarian immediately

**Storage and Disposal:**
- Pesticide Storage:
  - Never place unused product down any indoor or outdoor drain
  - Store in a cool, dry (preferably locked) area that is inaccessible to children and animals
  - Place the Zodiac® Flea & Tick Collar for Dogs around the dog's neck, adjust for proper fit, and buckle in place
  - Generally, a properly fitted collar is one that, when fastened, will snugly slide over the dog's head
