INSTRUCTIONS:

1. Clip to shirt pocket, collar, waistband – anywhere you want on-the-go protection from stinging insects.
2. Repellency lasts a total of 48 hours. To maintain repellency when not in use, clip should be sealed in GoClip™ pouch. Best when used within 2 weeks of opening.

Storage/Disposal: Store unused clip in sealed pouch in cool, dry place. Place in trash after use.

Keep Out of Reach of Children and Pets when GoClip™ is not in use. Avoid contact with eyes.

Wash hands after handling product.
