SPECTRUM™ XD9400 microbiocide agent

STORAGE AND DISPOSAL
PECTICIDE STORAGE: Keep product dry in tightly closed original container when not in use. Store in a cool, dry, well-ventilated area. Product should be stored at 50°F (10°C) or above.

PECTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. DO NOT REUSE EMPTY CONTAINER. CONTAINER HANDLING - Nonrefillable container. Do not reuse or refill this container. Triple rinse container (or equivalent) promptly after emptying. Offer for reconditioning, if appropriate. Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank. Fill the container 1/4 full with water. Replace and tighten closures. Tip container on its side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Repeat this procedure two more times.

RECYCLING IN COOLING WATER SYSTEMS, INCLUDING AIR WASHERS AND BREWERY PASTEURIZERS:

When used as directed, this product effectively controls algat, bacterial, and fungal slime in recirculating cooling water systems, brewery pasteurizing systems, air washers, once through cooling water and wastewater treatment systems, and pulp and paper mills.

PULP & PAPER MILLS:

When used as directed, this product effectively controls algat, bacterial, and fungal slime in pulp and paper mill fresh and waste water systems, cooling water systems, wastewater treatment systems, nonpotable water systems and process water systems.

DOSAGE RATES: Add this product to the system at a 0.125 to 2.0 lbs of sodium bromide/1000 gallons of water.

For example: 1.8 to 26.5 pounds of chlorine gas (99.9%) with a system of 1000 gallons of water.

NOTE: Buyer assumes all responsibility for safety and use in accordance with directions.

For Industrial Use. Technical advice regarding specific problems is available from Hercules Incorporated or paper technologies & Vendors. Material Safety Data Sheet containing more detailed information relative to this product is available upon request.

For safety and proper use of this product, please consult your own local or regional health department. For emergency information call 1-844-SOLENIS (1-844-768-3647).
