**Shield-Brite® TBZ 99WP**

**Wettable Powder Fungicide for Postharvest Treatment of Labeled Pome Fruits, Citrus, Carrots and Potatoes**

### Active Ingredient:
2-(4-ethyl-5-hydroxybenzimidazol-2-yl)-N-(1H-benzo[d][1,2,3]triazol-1-yl)acetamide (TBZ) 98.75%

### Usage:
- **Apples, Pears, Plums, Cherries:** Apply at the rate of 0.75-1.28 oz. (21-36 g) per 100 gallons of water for contact sprays or dusts.
- **Citrus:** Apply at the rate of 0.75 oz. (21 g) per 100 gallons of water for contact sprays or dusts.
- **Carrots and Potatoes:** Apply at the rate of 0.75 oz. (21 g) per 100 gallons of water for contact sprays or dusts.

### Personal Protective Equipment (PPE):
- **Skin:** Chemical-resistant gloves and protective clothing.
- **Eyes:** Chemical-resistant safety glasses and protective clothing.
- **Respirators:** NIOSH-approved respirators with an organic-vapor (OV) cartridge and a combination HE filter with NIOSH approval number prefix TC 23C.

### Precautionary Statements:
**Hazard to Humans and Domestic Animals**

### Environmental Hazards:
- Do not fertilize containing effluent containing this product into lakes, ponds, prairies, estuaries, oceans or other waters unless in accordance with the requirements of National Pollutant Discharge Elimination Systems (NPDES) permit and the permitting authority has notified you in writing prior to discharge.

### Directions for Use:
**Contact Sprays and Dusts:** Apply at the rate of 0.75 oz. (21 g) per 100 gallons of water for contact sprays or dusts. Do not rinse treated surface before the next harvest.

### Storage and Disposal:
- **Do not contaminate water, food, or feed by storage or disposal.**
- **Wastes resulting from the use of this product may be disposed of on-site by incineration in a properly designed and operated incinerator in a manner that minimizes the production of dioxins and furans.**

### NOTICE TO BUYER:
- **Canadian provinces:**
  - **Ontario:** Application of this product is regulated by the Ontario Ministry of Agriculture, Food and Rural Affairs. Contact your local agricultural extension office for guidance.
  - **Quebec:** Application of this product is regulated by the Ministere de l'Agriculture, des Peche et de l'Alimentation. Contact your local agricultural extension office for guidance.
