All loaders, applicators, and other handlers must wear:

- chemical-resistant gloves
- long-sleeved shirt and long pants,
- shoes plus socks
- personal protective equipment (PPE)

CAUTION: Causes moderate eye irritation. Harmful if swallowed. Avoid contact with eyes or clothing.

Hazards to Humans and Domestic Animals

Precautionary Statements

- Hazards to Humans and Domestic Animals
  - CAUTION: Causes moderate eye irritation. Harmful if swallowed. Avoid contact with eyes or clothing.

User Safety Requirements

- Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions exist for washables, use detergent and hot water. Keep and wash PPE separately from other laundry. Discard clothing and other absorbent material that have been drenched or heavily contaminated with the product's concentrate. Do not reuse them.

User Safety Recommendations

- Users should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.
- Users should remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing. If pesticide gets on skin, wash immediately with soap and water.
- Users should remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

First Aid

- In eyes: Hold eye open and rinse slowly and gently with water for 15 - 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- If swallowed: Call a poison control center or doctor immediately for treatment advice.
- If inhaled: Move victim to fresh air.
- If on skin: Wash thoroughly with soap and water.
- If on clothing: Remove clothing. Wash clothing before reuse.

Environmental Hazards

- This pesticide is toxic to fish and aquatic invertebrates and may adversely affect non-target plants. Do not apply directly to water, to areas where surface water is present, or to intertidal areas below the mean high water mark. Drift and runoff may be hazardous to aquatic organisms in water adjacent to treated areas. Do not contaminate water when disposing of equipment or wash water.

Directions for Use

- It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Precautions and Restrictions

- Do not enter or leave areas of residential sites or for research purposes.
- Do not apply this product in a manner that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application.
- Do not use on turf being grown for sale or other commercial use as sod, or for commercial seed production, or for research purposes.

Where to Use

- St. Paul Brand Fertilizer with Surge® is a broadleaf herbicide containing 2,4-D, mepacrine, and sulfentrazone. The surfactant and water-in-oil emulsion provides plant nutrients and controls a broad spectrum of broadleaf weeds in turfgrass. Supplemental nitrogen, phosphorus, and potassium should be applied according to soil tests or State Extension Service recommendations.
- This chemical has properties and characteristics associated with chemicals detected in ground water. The use of this chemical in areas where soils are permeable, particularly where the water table is shallow, may result in groundwater contamination. Application around a cesspool or well may result in contamination of drinking water or ground water.

DIRECTIONS FOR USE

- It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Precautions and Restrictions

- Do not enter or allow people (or pets) to enter the treated area until dusts have settled. Do not apply this product in a manner that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

PESTICIDE STORAGE: Store in original container and keep any bags containing unused product in a locked storage area inaccessible to children and domestic animals.

PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. Completely empty bag into application equipment. Then offer for recycling if available or dispose of empty bag in a sanitary landfill, or by incineration.

LIMITED WARRANTY AND DISCLAIMER

IMPORTANT: Read this Limited Warranty and Disclaimer before buying or using this product. By opening and using this product, buyer and all users agree to accept the terms of this Limited Warranty and Disclaimer in their entirety and without exception. If the terms are not acceptable, return this product unopened immediately to the point of purchase, and the purchase price will be refunded in full.

It is impossible to eliminate all risks inherently associated with use of this product. Damage to the treated article, ineffectiveness, or other unintended consequences can result from use of the product in abnormal conditions whether or not stated on the label. Such factors and conditions are beyond the control of the manufacturer and cannot be warranted. The manufacturer or seller is not responsible for any and all losses, damages, or injuries resulting from the use or handling of this product, whether or not based in contract, negligence, strict liability in tort or otherwise, by reason of any claim, whether based in contract, tort, negligence, or otherwise, whether expressed or implied, including any warranty of merchantability or fitness for a particular purpose, which are hereby expressly disclaimed.

The terms of this Limited Warranty and Disclaimer cannot be varied by any written or verbal statements or agreements at the point of sale or elsewhere. No employee or agent of the manufacturer or seller is authorized to vary or exceed the terms of this Limited Warranty and Disclaimer in any manner.
