GENERAL: CHOICE® TRIO is a non-AMS water conditioner designed to aid in the performance of pesticides that are susceptible to the negative effects of hard water, thereby maximizing weed control. Hard water and high pH can reduce the miscibility and/or solubility of certain pesticides. CHOICE TRIO performs via three modes of action: sequestering, chelating, and complexing. It is effective on all hard water cations, thus preventing deactivation of susceptible pesticides, which in turn results in consistent performance. CHOICE TRIO is formulated to replace AMS and can be used in applications that do not recommend AMS but require water conditioning.

CHOICE TRIO may be used on a wide variety of agricultural crops or industrial and non-crop sites, such as but not limited to: Forestry (site preparation and release), Industrial (storage areas, plant sites, and other similar areas including governmental and private lands), Grasslands (including pastures, rangeland and fence rows), Rights-of-way (utility, railroad and road sides), Turf (golf courses, parks, sod farms, and lawns), and Ornamentals (container, field, greenhouse or nursery) and other turf, ornamental and landscapes sites. CHOICE TRIO is formulated to be compatible with all glyphosate products.

DIRECTIONS FOR USE: Fill spray tank 1/2 full of water and begin agitation. Add desired rate of CHOICE TRIO to water before adding pesticides. Add pesticides, as directed by label, while maintaining agitation. Always add CHOICE TRIO to water before pesticides. For tank mix compatibility concerns, conduct a jar test of the proposed mixture to ensure compatibility of all components. Mix components in the same ratio as the proposed tank mix.

SUGGESTED USE RATE: 1.9 to 2.0 quarts per 100 gallons (1/3 to 2/3 fluid ounce per gallon)

Note: This product has demonstrated excellent plant safety; however, not all species of ornamentals have been tested. Before treating a large area, test on a small area and observe prior to full-scale application. Higher mineral content in water will require the higher rates of CHOICE TRIO. CHOICE TRIO does not replace requirement for adding surfactant. If pesticide label requires the addition of a surfactant, add a Leci-Tech® adjuvant such as Compadre®, LI 700®, Liberate®, Weather Gard Complete or Strike Force® at recommended rate. These Leci-Tech products will also provide drift reduction, droplet adhesion and spreading, and penetration.

NOT FOR AQUATIC USE IN WASHINGTON.

STORAGE AND DISPOSAL

STORAGE: Store locked up. Store in a well-ventilated place. Store in cool, dry place. Store in original container. Keep tightly closed. Do not reuse empty container. DISPOSAL: Do not contaminate water, food or feed by storage or disposal. Dispose of contents/container on-site or at an approved waste disposal facility. Triple rinse (or equivalent) adding rinse water to spray tank. Offer container for recycling or dispose of container in sanitary landfill, or by other procedures approved by appropriate authorities. Recycling decanted containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler, visit the ACRC web page at www.acrecycle.org. For help with any spill, leak, fire or exposure involving this material, call day or night CHEMTREC 1-800-424-9300.

CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

BEFORE BUYING OR USING THIS PRODUCT, read the Directions for Use and the following Conditions of Sale and Limitation of Warranty and Liability. By buying or using this product, the buyer or user accepts the following Conditions of Sale and Limitation of Warranty and Liability, which no employee or agent of LOVELAND PRODUCTS, INC. or the seller is authorized to vary. LOVELAND PRODUCTS, INC. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use, when the product is used in accordance with such Directions for Use under normal conditions of use. LOVELAND PRODUCTS, INC. MAKES NO OTHER WARRANTY, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE BUYER’S OR USER’S EXCLUSIVE REMEDY FOR ANY INJURY, LOSS, OR DAMAGE RESULTING FROM THE HANDLING OR USE OF THIS PRODUCT SHALL BE LIMITED TO ONE OF THE FOLLOWING, AT THE ELECTION OF LOVELAND PRODUCTS, INC. OR THE SELLER: DIRECT DAMAGES NOT EXCEEDING THE PURCHASE PRICE OF THE PRODUCT OR REPLACEMENT OF THE PRODUCT. LOVELAND PRODUCTS, INC. AND THE SELLER SHALL NOT BE LIABLE TO THE BUYER OR USER OF THIS PRODUCT FOR ANY CONSEQUENTIAL, SPECIAL, OR INDIRECT DAMAGES, OR DAMAGES IN THE NATURE OF A PENALTY.
