1 QUART

This product kills algae and clears the water in your swimming pool without requiring pool closing and without foaming.

DIRECTIONS FOR USE:
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

APPLICATION AND DOSAGE RATE:

VISUAL ALGAE GROWTH: 1 oz. of this product per 10,000 gallons of pool water.

INITIAL CLEAN WATER TREATMENT: 8 oz. of this product per 10,000 gallons of pool water weekly.

MAINTENANCE: 4 oz. of this product per 10,000 gallons of pool water weekly.

Proper timing of heavy algae growth must be observed prior to using this product. 24 hours after treating visible algae growth, algae debris must be removed by standard cleaning procedures. Dye this product with at least nine parts water before applying. Pour required amount of this product into plastic watering can and fill with water. Maintain constant pool circulation, sprinkle solution around the edge of the pool.

IMPORTANT NOTE: Always apply chemicals separately. Never combine them.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes, skin, or clothing. Wear goggles or face shield, rubber gloves, and protective clothing when handling. Wash thoroughly with soap and water after handling and before eating, drinking, or chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse.

FIRST AID:

IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present and easy to remove. Continue rinsing eye for at least 5 minutes, then consult a physician or seek treatment advice.

IF ON SKIN OR CLOTHING: Wash skin or clothing with soap and water for at least 15 minutes. If skin irritation occurs, consult a physician or seek treatment advice.

IF INHALED: Remove person to fresh air. If person is not breathing, give artificial respiration. Consult a physician or seek treatment advice.

IF SWALLOWED: Do not induce vomiting. Consult a physician or seek treatment advice.

IN CASE OF OVERDOSE:

Have the product container or label with you when calling a poison control center or doctor for treatment. You may also contact 1-800-FDA-1088 for emergency medical treatment information.

NOTICE TO ENVIRONMENT:

Protective or personal exposure may contaminate at risk of aquatic animals.

ENVIRONMENTAL HAZARDS:

This product is toxic to fish. Keep out of reach of barn owls, stream, ponds, or public water for guidance. Contact the regional office of the Environmental Protection Agency.

PHYSICAL OR CHEMICAL HAZARDS:

This product is a reducer. Keep away from oxidizing agents.

STORAGE AND DISPOSAL:

STORAGE: Do not contaminate water, food, or feed by storage or disposal. Keep container closed when not in use. Leaking or damaged containers should be placed in a plastic bag and discarded in trash. Mix up spills with clear water. All containers should be kept out of reach of children and stored away from food.

DISPOSAL: Nonrefillable container. Do not reuse or refill simply container. Batter for recycling, if available, or weep container and place in trash.

In Case of Emergency, Call: 1-800-355-3924.
