SURFACTANT-PENETRANT ADJUVANT FOR SOIL AND GROWING MEDIA

PRINCIPAL FUNCTIONING AGENTS

- Alcohol Ethoxylate: 19.40%
- Orange Oil (Cold Pressed): 10.00%
- Constituents Ineffective as Spray Adjuvants: 70.60%

Total: 100.00%

All ingredients are exempt from tolerance according to 40 CFR 180.

KEEP OUT OF REACH OF CHILDREN

WARNING / AVISO

Si Usted no entiende la etiqueta, busque a alguien para que se la explique a Usted en detalle.

HAZARD STATEMENTS: Combustible liquid. Causes eye irritation. Toxic to aquatic life. Harmful to aquatic life with long lasting effects.

PRECAUTIONARY STATEMENTS: Keep away from flames and hot surfaces. No smoking. Avoid breathing fume/mist/vapors/spray. Wear protective gloves/protective clothing/eye protection/face protection. Use only outdoors or in a well ventilated area. Wash thoroughly after handling. Avoid release to the environment.

ENVIRONMENTAL HAZARDS: Do not contaminate water sources by cleaning of equipment or disposal of wastewaters.

Call a poison control center or doctor immediately for treatment advice.

For Chemical Emergency (spill, leak, fire or accident), call CHEMTREC (800) 424-9300

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

IF ON SKIN: Wash with plenty of water. If skin irritation occurs obtain medical attention. Take off contaminated clothing and wash it before reuse.

IF INHALED: Remove person to fresh air and keep comfortable for breathing. Obtain medical attention if you feel unwell.

IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. Obtain medical attention if symptoms occur.

Dispose of contents and containers in accordance with local, regional, and national laws.

GENERAL INFORMATION

As wetting adjuvant for use with soil pesticides and nutrients in the root zone:
• Improves the distribution of a tank mix solution within the soil profile.

DIRECTIONS FOR USE AND PRECAUTIONS

Prior to use, read all the directions on this label and on the label of the manufacturer’s insecticides, miticides, fungicides, herbicides, plant growth regulators and/or nutrients being used with this product. The manufacturer’s label for specific usage and restrictions has precedence over directions for use referred to on the ORO-RZ label. Test for compatibility prior to mixing and application with other chemicals. Always test new tank-mix combinations before widespread use. If unsure, check with the manufacturers or contact your local State Extension Service if you have questions. To ensure thorough mixing, it is suggested that you recirculate mini tanks and bulk tanks or shake containers before using. Pre-rinse all tanks, spray lines or containers thoroughly before adding ORO-RZ as ORO-RZ contains surfactants. ORO-RZ should not be added to tanks, spray lines, or containers which may contain additional surfactant adjuvants. Residues in tank and spray lines, from previous chemicals sprayed, may be dissolved by ORO-RZ.

NOTE: NOT FOR AQUATIC USE.

DOSAGE RATES

FOR BEST RESULTS
FOR SOIL
• In-furrow at planting with soil pesticides - Use 1 to 2 pints per acre
• In pre-emergent herbicide sprays - Use 1 to 2 pints per acre
• In broadcast tank mix solutions - Use 1 to 4 pints per acre
• Through drip, microjet or sprinkler irrigation systems - Use 2 to 8 pints per acre
• Through pivots - Use 2 to 8 pints per acre
FOR GROWING MEDIA
• 8 to 64 fluid ounces per ton of media (test rates prior to use)

APPLICATION DIRECTIONS

ORO-RZ can be applied in-furrow, flood, microjet, sprinkler and other irrigation systems. It can also be applied in conjunction with most types of liquid fertilizer. In addition, it can be applied as a soil spray. When metering ORO-RZ directly into an irrigation system by means of a metering injection pump or suction regulated line, do not connect to an irrigation system used for chemical applications or directly to a public water system without a back siphon prevention system in place. Always connect to such systems in accordance with local and/or state regulations.

STORAGE AND DISPOSAL

PROHIBITIONS: Do not contaminate water, food or feed by storage, disposal or cleaning equipment.
STORAGE: Store in original tightly closed container away from children, animals, foods, feeds and seeds. Handle in accordance with precautionary statements. In the event of spillage or leakage, soak up the material with absorbent clay, sand, sawdust or other absorbent materials. Scrape up and dispose in accordance with Product Disposal.
PRODUCT DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.
CONTAINER DISPOSAL: Triple rinse container and pour rinseate into spray tank. Do not reuse container. Recycling decontaminated containers is the best option of container disposal. Dispose of contents/container in accordance with local/national regulations. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit www.acrecycle.org.

NOTICE OF WARRANTY

CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES: Read the Conditions of Sale-Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded. The directions on this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Oro Agri, Inc. (the “Company”) or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the Directions For Use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Company’s election, one of the following: 1. Refund of the purchase price paid by buyer or user for product bought, OR 2. Replacement of the product used. To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
