Restrictions

Use only on dogs or on puppies 7 weeks of age or older weighing less than 11 lbs. As with any product, consult your veterinarian before using this product on debilitated, aged, pregnant or nursing dogs.

Hazards to Domestic Animals: For external use only. Keep out of reach of children. Do not use on puppies under 7 weeks of age or on dogs weighing less than 11 lbs. When using any pesticide product, wash your hands with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

Hazards to Humans: Avoid eye, mouth and respiratory tract contact. Do not rub eyes, nose or mouth after handling. Wash hands with soap and water after handling. If swallowed, call a poison control center or doctor immediately for treatment advice. Have the product container or label with you when calling a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If on skin or clothing:

Wash skin area with soap and water. If skin irritation occurs: Wash affected area with mild soap and water. If irritation persists, contact a doctor.

If in eyes:

Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a doctor.

FIRST AID: For external use only. Do not get into eyes.

Side Effects: Individual sensitivities, while rare, may occur after using ANY pesticide product. Monitor your dog after application. Side effects, although very rare, may include signs of skin irritation such as redness, scratching, swelling, or hair loss. Gastrointestinal signs such as vomiting or diarrhea have also been reported. If these or other side effects (such as inactivity, depression, or other signs of discomfort) persist, or become more severe, consult a veterinarian immediately. If your dog is on medication, consult your veterinarian immediately. If your dog is on medication, consult your veterinarian immediately.

For more information, call 1-888-846-4231.

Never place unused product down any indoor or outdoor drain. Place in trash or offer for recycling if available. If partly filled: Non-refillable container. Do not reuse container. Place in trash or offer for recycling if available. If empty: Non-refillable container. Place in trash or offer for recycling if available.

PESTICIDE DISPOSAL AND CONTAINER HANDLING:

PESTICIDE STORAGE:

STORAGE AND DISPOSAL

CAUTION:

Keep out of reach of children.

DO NOT USE ON CATS.
PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS
CAUTION: Harmful if swallowed. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash hands thoroughly with soap and warm water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

HAZARDS TO DOMESTIC ANIMALS
For external use only. Do not use on puppies under 7 weeks of age or weighing less than 11 lbs. As with any product, consult your veterinarian before using this product on debilitated, aged, pregnant or nursing dogs. Individual sensitivities, while rare, may occur after using ANY pesticide product for dogs. If signs persist, or become more severe, consult a veterinarian immediately. If your dog is on medication, consult your veterinarian before using this or any other product.

FIRST AID
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For medical emergencies or consumer questions call 1-855-844-4375.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control center or doctor for treatment advice.

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not allow children to apply product.

READ ENTIRE LABEL BEFORE EACH USE

RESTRICTIONS
USE ONLY ON DOGS OR ON PUPPIES 7 WEEKS OF AGE OR OLDER WEIGHING 11 to 20 lbs.
DO NOT USE ON OTHER ANIMALS
DO NOT EXCEED LABELED DOSAGE AMOUNT FOR DOGS
DO NOT APPLY MORE THAN ONE (1) TUBE PER TREATMENT
DO NOT HAVE CONTACT OR ALLOW CHILDREN TO HAVE CONTACT WITH TREATED AREA UNTIL COMPLETELY DRY

Side Effects: Monitor your dog after application. Side effects, although very rare, may include signs of skin irritation such as redness, scratching, or other signs of discomfort. Gastrointestinal signs such as vomiting or diarrhea have also been reported. If these or other side effects (such as lethargy) occur, consult your veterinarian or call 1-855-844-4375.

DO NOT USE ON CATS.
Keep cats away from treated dogs for 24 hours. If applied to a cat or ingested by a cat, contact your veterinarian immediately.

HOW TO APPLY
1. Remove one applicator tube from the package.
2. Hold applicator tube in an upright position facing away from you and your pet’s face and eyes. Pull cap off tube.
3. Turn the cap around and place other end of cap back on tube.
4. Twist cap to break seal, then remove cap from tube.
5. The dog should be standing for easy application. Part the hair on the dog’s back, between the shoulder blades, until the skin is visible. Place the tip of the tube on the skin and squeeze the tube to expel the entire contents directly on the skin. Do not get this product in your dog’s eyes or allow your dog to ingest this product. Do not allow the product to run off.
6. Discard empty tube as described in the Storage and Disposal section.
7. Under normal conditions the product is effective for a month. However, in case of severe flea infestation, retreatment may be necessary earlier than four weeks. Do not re-treat more often than once every seven (7) days. After flea control is obtained, return to a monthly retreatment schedule.

STORAGE AND DISPOSAL
PESTICIDE STORAGE: Store in a cool, dry place inaccessible to children and pets.
PESTICIDE DISPOSAL AND CONTAINER HANDLING: Non-refillable container. If empty: Do not reuse or refill this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-888-846-4231 for disposal instructions. Never place unused product down any indoor or outdoor drain.
