Finished product that was not shown a proof will not be accepted.

VENDOR NOTE: COLOR ACCURATE PROOF REQUIRED.

DIRECTIONS FOR USE

1. Remove one applicator tube from the package.
2. Hold applicator tube in an upright position facing away from you and your pet's face and eyes.
3. Turn the cap around and place other end of cap back on tube.
4. Twist cap to break seal, then remove cap from tube.
5. Part the hair on the neck at the base of the skull until the skin is visible. Place the tip of the tube on the skin and squeeze the tube to your pet's skin. Do not allow the product to run off.

CAUTION:

HAZARDS TO HUMANS

Call a poison control center or doctor immediately for treatment advice. Have the product container or label with you when you call. IF IN EYES:

Rinse skin immediately with plenty of water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes. If they stick, do not forcibly remove them. Keep the eye open and rinse slowly and gently with a large amount of water. Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able. NEVER induce vomiting. IF SWALLOWED:

Call a poison control center or doctor for treatment or advice. IF ON SKIN OR CLOTHING:

Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. If on hair: Thoroughly wash hair with soap and warm water after handling. Keep out of reach of children. CAUTION:

HAZARDS TO DOMESTIC ANIMALS

Do not contaminate feed or food. Soap and warm water after handling.

Do not apply to cats or kittens under 8 weeks of age or weighing less than 5 lbs.

For external use only

PESTICIDE DISPOSAL AND CONTAINER HANDLING:

Non-refillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available. If partly filled:

Call your local solid waste agency or 1-888-845-4921 for disposal instructions. Never place unused product down any indoor or outdoor drain.

STORAGE AND DISPOSAL

Store in a cool, dry place inaccessible to children and pets.

PESTICIDE STORAGE:

Attain maximum efficacy early in the season. For best results, apply monthly. However, in case of severe flea infestation, retreatment may be necessary earlier than four (4) weeks. On cats, do not retreat more often than once every seven (7) days. After flea control is attained, return to a monthly treatment schedule.
