CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. Triple rinse container (or equivalent) promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank and drain for 10 seconds after the flow begins to drip. Fill the container 14 full with water and recap. Shake for 15 seconds. Pour rinse into application equipment or a mix tank or store rinse for later use or disposal. Drain for 10 seconds after the flow begins to drip. Repeat this procedure two more times. Offer for recycling if available, for reconditioning if appropriate or puncture and dispose of container in a sanitary landfill or by other procedures approved by state and local authorities.

CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

NOTICE: Read the entire Directions for Use and Cautionary Statements of Sale and Limitation of Warranty and Liability before applying or using the product. If the tissues are not acceptable, return the products and funds, and the purchase price will be refunded.

The Directions for Use of this product must be followed carefully. It is possible to cause death or serious injury when used in the absence of the product. Pesticides or other chemicals may result because of some factors to the nature of use or application, adverse presence of other materials or other ill effects in the use of the product, which are beyond the control of Central Garden & Pet Company or Seller. All such risks shall be assumed by Buyer and Seller, and Buyer and Seller agree to hold Central Garden & Pet Company and Seller harmless for any claims relating to such factors. Central Garden & Pet Company reserves that this product conforms to the chemical description on the label and is reasonably safe for the purposes stated in the Directions for Use, subject to the inherent risks inherent in its use, when used in accordance with directions under normal use conditions. This warranty does not extend to the use of this product contrary to label instructions, or under abnormal conditions or in conditions not reasonably anticipated or beyond the control of Seller or Central Garden & Pet Company, and Buyer and Seller assume the risk of any such use. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, THE EXCLUSIVE REMEDIES OF THE USER OR BUYER, AND THE EXCLUSIVE LIABILITY OF CENTRAL GARDEN & PET COMPANY UNDER LAW FOR ANY LIABILITIES OF ANY KIND, INCLUDING WITHOUT LIMITATION, LIABILITY FOR BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THE PRODUCT OR, AT THE ELECTRONIC OF CENTRAL GARDEN & PET COMPANY OR SELLE. THE Replacement of the Product

Central Garden & Pet Company and Seller offer this product, and Buyer and User accept it, subject to the foregoing Conditions of Sale and Limitation of Warranty and Liability, which may not be modified except by written agreement signed by a duly authorized representative of the Vendor or Pet Company.

DO NOT USE ON CATS OR KITTENS. May be toxic or potentially fatal if applied to or ingested by cats. Accidental application to cats and/or poisoning a recently treated dog may result in tremors and/or uncoordinated muscle movements. If this occurs, immediate veterinary care should be provided.
FIRST AID

If swallowed:
- Immediately call a poison control center or doctor.
- Do not induce vomiting unless told to do so by the poison control center or doctor.
- Do not give any liquid to the person.
- Do not give anything by mouth to an unconscious person.

If on skin or clothing:
- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

If in eyes:
- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

If inhaled:
- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.
- Call a poison control center or doctor for further treatment advice.

NOTICE TO PHYSICIAN: Contains petroleum distillate – vomiting may cause aspiration pneumonia.

PERSONAL PROTECTIVE EQUIPMENT (PPE)

All pesticide handlers (mixers, loaders, and applicators) must wear long-sleeved shirt and long pants, socks, shoes, and chemical-resistant gloves made of Barrier Laminates or Viten. After the product is diluted in accordance with label directions for use and/or when mixing and loading using a closed spray tank transfer system, or an in-line injection system, shirt, pants, socks, shoes and waterproof gloves are sufficient. In addition, all pesticide handlers must wear a respiratory protection device when working in a non-ventilated space and all pesticide handlers must wear protective eyewear when working in a non-ventilated space.

USER SAFETY REQUIREMENTS

Follow manufacturers' instructions for cleaning and maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry. Discard clothing and other absorbent materials that have been heavily contaminated with this product's concentrate. Do not reuse them.

USER SAFETY RECOMMENDATIONS

Users should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. Users should remove clothing/PPE immediately if pesticide gets inside. Then, wash thoroughly and put on clean clothing. Users should remove PPE immediately after handling this product. Wash the outside of gloves before removing them. As soon as possible, wash thoroughly and change into clean clothing.

ENVIRONMENTAL HAZARDS

This product is highly toxic to bees exposed to direct treatment or residues on crop or weeds. Do not apply this product or allow it to drift to crops or weeds on which bees are foraging. Additional information may be obtained from your Cooperative Extension Service.
This product is extremely toxic to aquatic organisms, including fish and aquatic invertebrates. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Drift and runoff from treated areas may be hazardous to aquatic organisms in neighboring areas. Do not contaminate water by cleaning of equipment or disposal of equipment washwaters. Do not apply when weather conditions favor drift from treated areas.

**PHYSICAL OR CHEMICAL HAZARDS**

**COMBUSTIBLE:** Do not use or store near heat or open flame.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**NON-AGRICULTURAL USE REQUIREMENTS**

The requirements in this box apply to uses of this product that are NOT within the scope of the Worker Protection Standard for agricultural pesticides (40 CFR Part 170). The WPS applies when this product is used to produce agricultural plants on farms, forests, nurseries or greenhouses.

- Do not allow people or pets on treated surfaces until the spray has dried. Do not touch treated surface until dry.

**USE INFORMATION**

**Note:** When applying to or around vinyl and aluminum siding, treat a small test area in a non-obtrusive area and allow to dry. Some types of vinyl and aluminum siding, particularly if aged or weathered or during periods of high temperature or high humidity, may show some staining after application of an emulsifiable concentrate product.

Staining may also occur on certain surfaces such as brick, cinder block, stucco and wood. Immediately remove spray deposits on painted or stained surfaces or finishes by washing with soap and water to prevent discoloration. Do not apply to surface where visible spray residues are objectionable.

**USE RESTRICTIONS:**

- Use only in well ventilated areas.
- Do not breathe vapors or spray mist.
- Do not touch treated surfaces until dry.
- Do not apply to sources of electricity.
- Except when applying to livestock, do not enter or allow others to enter until spray has dried.
- Do not allow people or pets on treated surfaces until the spray has dried.
- Do not use concentrated or emulsion fogging equipment.
- Do not allow dripping or runoff to occur.
- Do not treat areas where food is present.
- Thoroughly wash dishes and food-handling utensils with soap and water if they become contaminated by application of this product.
- Do not allow spray to contact food, feedstuffs, in feed contacts, utensils or water supplies.
- Do not apply spray to contact food, feedstuffs, food contacting surfaces, food utensils or water supplies.
- During any application to overhead areas of structure, cover surfaces below with plastic sheeting or similar material (except where exempt).
- When used in dairy barns or other dairy facilities, clean milk bulk tanks to prevent contamination from spray and from dead or tainting insects. Remove or cover milking utensils before application. Wash teats of animals before milking them.
- All outdoor applications must be limited to crack-and-crevice treatments only, except for the following permitted uses: (1) treatments to soil or vegetation around structures; (2) applications to lawns, turf, and other vegetation (as prescribed on this label); (3) applications to building foundations, up to a height of 3 feet; (4) applications to undersides of eaves, soffits, doors, or windows permanently protected from rainfall by covering, overhang, or awnings; (5) applications around potential pest entry points into buildings, when limited to a surface band not to exceed one inch in width; and (6) applications made through the use of a coarse, low-pressure spray to only those portions of surfaces that are directly above bare soil, lawn, turf, mulch, or other vegetation, as listed on this label, and not over an impervious surface, drainage, or...

### STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal. **PESTICIDE STORAGE:** Store in original containers only. Store in a cool, dry place and avoid excess heat. Do not store below 40°F. Carefully open containers. After partial use, replace lids and close tightly. Do not put concentrate or dilute materials into food or drink containers. **PESTICIDE DISPOSAL:** Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinse water is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative.
