AirCover™ is a unique nonionic organosilicone surfactant which is highly effective with herbicides, insecticides, fungicides and foliar applied nutrients. AirCover™'s organosilicone chemistry allows for superior wetting and absorption of herbicides, insecticides, and fungicides into plant leaves, plant stems, and insects.

**Principal Functioning Agents:**
- Alkyl phenol ethoxylate
- Polysiloxane polyether copolymer
- Propylene glycol

Storage or disposal: Store in original container and keep container tightly closed when not in use. Keep away from heat, sparks and flames. Protect from freezing. Do not reuse container. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC, recycle visit the website at www.agcontainerrecycle.org. Triple rinse (or equivalent) and offer for recycling or reconditioning.

**First Aid:**
- IF IN EYES: Rinse cautiously with water for 15 minutes. Remove contact lenses, if present and easily to do. Continue rinsing. If eye irritation persists get medical attention.
- IF INHALED: Remove person to fresh air and keep comfortable for breathing. Call a poison control center or doctor for treatment advice if you feel unwell.

**Warning (Aviso):**
Causes serious eye irritation. May cause respiratory irritation.

**Precautionary Statements:**
- Keep out of reach of children.
- Warning message: Causes serious eye irritation. May cause respiratory irritation.
- In case of contact with eyes, rinse cautiously with water for 15 minutes. Remove contact lenses, if present and easily accessible. Continue rinsing. If eye irritation persists, get medical attention.
- In case of contact with skin, wash thoroughly with water and soap. If irritation persists, get medical attention.
-勿吸入蒸气或喷雾。仅限于室外使用。
- Shake well before use.
- For emergency, spill, leak, fire, exposure, or accident, call 1-800-424-5500.

WA Reg. No. 1381-XXXX

Net Contents: 1 gallon (3.78 Liters)
DIRECTIONS FOR USE:
READ ENTIRE LABEL BEFORE USING

AirCover™ may be used with most pesticides and fertilizer products as directed on this label. Observe initial application to ensure thorough coverage without excessive runoff of the spray.

AirCover™ effectively improves coverage and distribution of spray droplets when applied as directed, with pesticides and/or fertilizers, to tree and vine crops (fruit and nut), turf, greens and tees, ornamentals, trees, exterior pests and other non-crop areas.

NOTE: The application rates on this label are based on pesticide labels which recommend the use of a non-ionic surfactant. Rates of this product may be increased or decreased. For optimum results, follow pesticide labeling for proper recommendations. Before using AirCover™ where a nonionic surfactant may not be recommended, the user or applicator advisor must have experience with the combination or must have conducted a phytotoxicity trial.

Basal Bark Treatment: AirCover™ will aid the penetration of insecticides, fungicides, herbicides, fertilizers, and other products through bark. Use 0.64 to 1.28 fl. oz. per gallon or 0.5 to 1% v/v. Consult pesticide labels for specific use rates based on pesticide.

Mixing:
Prior to pesticide application, clean mixing and application equipment according to pesticide label directions. If foaming is anticipated an anti-foaming agent such as Fast Break® should be added before pesticides, nutrients, or AirCover™.

Add pesticides and/or fertilizers as directed by label or in the following sequence:
A. Micronutrients and fertilizers
B. Dry flowables and dispersible granules
C. Flowables
D. Water soluble pesticides
E. Emulsifiable concentrates

Spray coverage and drift control:
To optimize spray coverage or deposition, and to reduce drift, include Droplex® adjuvant.

Notice of Warranty
Seller warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use. SELLER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, NOR IS ANY REPRESENTATIVE OF SELLER AUTHORIZED TO MAKE ANY SUCH WARRANTY OR MODIFY THESE TERMS. This warranty does not extend to the storage, handling or use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to Seller, and Buyer assumes the risk of any such storage, handling or use. Seller shall not be responsible for incidental or consequential damages, if any, resulting from a breach of warranty.
