All ingredients are exempt from tolerance under 40 CFR 180.

**Patent Pending**

**Shake Well Before Using**

**KEEP OUT OF REACH OF CHILDREN**

**WARNING**

Causes skin irritation. Causes serious eye irritation. May be harmful if inhaled. Read label before use. Keep container tightly closed. Keep only in original container. Avoid breathing dust, fume, gas, mist, vapors, spray. Wash contaminated areas thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves, protective clothing, eye protection, face protection.

**FIRST AID**

Call a poison control center or doctor immediately for treatment advice. Have the product container with you when calling a poison control center or doctor, or going for treatment. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do then continue rinsing. If eye irritation persists: Get medical advice or attention. **IF ON SKIN OR CLOTHING:** Take off contaminated clothing and wash it before reuse. Wash with plenty of soap and water for several minutes. If skin irritation occurs: Get medical advice or attention. **IF SWALLOWED:** Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person. **IF INHALED:** Remove victim to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, and then give artificial respiration, preferably mouth to mouth if possible.

**GENERAL INFORMATION**

CHS® FIXATE PRO is a non-volatile, nonionic surfactant (NIS) and drift control technology (DRT) that is engineered to deliver crop protection products accurately throughout the canopy and to help prevent drift away from the intended target. Superior spreading and wetting characteristics improve the performance of the active ingredient by ensuring uniform surface coverage with reduced bounce and run-off. Increases penetration through waxy, wetting resistant cuticles and enhances permeation of the active ingredient to the action site.

CHS® FIXATE PRO is formulated with patent pending surfactant emulsion technology that limits driftable fines by managing droplet size modification without pump shear or solution fatigue.

**DIRECTIONS FOR USE**

**NOT FOR AQUATIC USE**

Always follow the directions on the most restrictive active ingredient label. Tank mixtures should only be applied within the label recommendations of every product in the tank mixture. Use only if a drift reduction technology (DRT), deposition agent and nonionic surfactant (NIS) are allowed or not excluded on the label.

CHS® FIXATE PRO is recommended for use on all agricultural crops and non-crops and is compatible with most pesticides.

CHS® FIXATE PRO does NOT contain ammonium sulfate (AMS).

**NOTE:** When combining new or unfamiliar components in any tank mix, the applicator should conduct phytotoxicity and jar tests to ensure compatibility and avoid damage to non-targeted species.

**Conditions of Sale and Warranty Limitation:** The Directions for Use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or use of the product in a manner inconsistent with its labeling, all of which are beyond the control of CHS or the seller. All such risks shall be assumed by the buyer. CHS warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use, subject to the inherent risks referred to above. CHS makes no other express or implied warranty of fitness or merchantability or any other express or implied warranty. In no case shall CHS or the seller be liable for consequential, special or indirect damages resulting from the use or handling of this product. CHS and the seller offer this product, and the Buyer and the User accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of CHS.
