Common Use Areas: Traps are most effective when placed near breeding sites. Place behind or under kitchen counters, sinks, dishwashers, food, near fruits and vegetables, and any other location where fruit is stored.
Filling the Trap:
2. Place the traps in areas where Fruit Flies have been seen. Place the traps where they will not be disturbed or tipped.
3. Discard the trap after 30 days of use.

STORAGE: Store product in original container, in a cool, dry place.

DISPOSAL: Place container in trash receptacle or dispose of in a sanitary landfill. Burning is not a legal form of disposal.

KEEP OUT OF REACH OF CHILDREN

CAUTION: Avoid eye contact. Wash from skin with soap and water to avoid irritation.

This product has not been registered by the U.S. EPA. Senoret represents that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide, and Rodenticide Act.
