**SHAKE WELL BEFORE USING**

**40% DEET**
- Hours of effective protection from mosquitoes, ticks, black flies, gnats, chiggers, no-see-ums, sand flies, deer flies, flies, biting flies and other biting insects
- Non-greasy and resists perspiration
- Developed especially for campers, backpackers, fishermen, hunters, golfers, bikers, hikers, joggers, ball players and active outdoor enthusiasts.

**DIRECTIONS FOR USE**
It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read and follow all directions and precautions on this product label.

Hold container 6-8 inches from skin or clothing and spray with a slow, sweeping motion. Do not spray in enclosed areas. For best protection, apply after bathing or before exposure to insects. Apply to exposed skin and/or clothing. Do not apply under clothing. Do not spray directly on face. If spray on face, spray on hands first, then apply sparingly to face and ears. Do not apply near eyes and mouth. Avoid over-application. Do not apply over cuts, wounds, or irritated skin. Do not allow children to handle this product. When using on children, apply to your own hands and then put on the child. Do not apply to children’s eyes.

- Works on clothing, too. Spray shirts, pants and hats. For hats, chiggers and flies, apply to tops of socks and around openings of other clothing.
- After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again.

**STORAGE AND DISPOSAL**
PESTICIDE STORAGE: Store in a cool, dry place, out of reach of children.
CONTAINER DISPOSAL: Do Not Puncture or Incinerate! Empty: Do not reuse this container. Place in trash or for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

**PRECAUTIONARY STATEMENTS**

**Hazard to Humans and Domestic Animals**
WARNING: Causes substantial but temporary eye injury. Do not get in eyes. Harmful if swallowed. Use of this product may cause skin reactions in rare cases. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

**FIRST AID**
- If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- If swallowed: Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person.
- If you suspect a reaction to this product: Discontinue use. Take off contaminated clothing. Wash skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

Have the product container with you when calling a Poison Control Center or doctor, or going for treatment.

For additional information in case of emergency, call 1-888-388-1181.

**Note to Physician:** Pruritus and/or damage may indicate the use of genital hygiene.

**Physical and Chemical Hazards:** FLAMMABLE. Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause burning. Do not apply to synthetic fabrics such as acetate, rayon or nylon. Will not damage cotton, wool or nylon. May damage furniture finishes, leather, plastics and painted and varnished surfaces, including watch crystals, guns, bows and automobiles.

**NOTICE:** Buyer assumes all responsibility for safety and use not in accordance with directions.

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For outdoor use only. • Do not spray in enclosed areas. Hold bottle 6 inches from skin and clothing while spraying, keeping sprayer pointed away from face. Slightly moisten skin. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. If used on the face, spray on hands first and then apply sparingly and avoid eyes. Do not spray directly onto face. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply over cuts, wounds or irritated skin. Do not apply to sunburned skin. Do not apply to children's hands. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. Frequent reapplication or saturation is unnecessary. Avoid overapplication of this product. After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again. Will not damage nylon, cotton or wool. May damage some synthetic fabrics, plastics, watch crystals, leather and painted or varnished surfaces. Use of this product may cause skin reactions in rare cases. If you suspect reaction to this product, discontinue use, wash treated skin and call your local Poison Control Center. If you go to a doctor, take this product with you.

STORAGE AND DISPOSAL
Storage: Store the product in a cool, dry place. Keep out of reach of children. • Container Disposal: If empty: Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
