2517-176_PetArmor Advanced 2 Flea Treatment for Dogs over 55 lbs_20160331_304_2517_.pdf
How to Open:
1. Remove product tubes from the package.
2. Separate one tube from the others. Hold the tube with nothched end pointing up and away from the face and body. Use scissors to cut off the nothched end at the notches along the line.

How to Apply:
1. Invert tube over dog and use open end to pet dog’s hair.
2. Squeeze tube firmly to apply all of the solution to the dog’s skin as a spot on the dog’s back between the shoulder blades.

FREQUENCY OF APPLICATION
Use this product monthly for control of flea infestations. Studies show that this product kills fleas within 12 hours of application and lasts for up to 4 weeks. This product kills reinfesting fleas within 24 hours and prevents further infestations of fleas. Apply monthly for flea control. This product is waterproof and remains effective, even after bathing, swimming, or exposure to sunlight or rain.

Do not apply for 30 days.

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling. TO PREVENT HARM TO YOU AND YOUR DOG, READ ENTIRE LABEL BEFORE EACH USE. FOLLOW ALL DIRECTIONS AND PRECAUTIONARY STATEMENTS CAREFULLY.

Restrictions:
- DO NOT ALLOW CHILDREN TO APPLY PRODUCT.
- DO not use on animals other than dogs.
- DO not allow your dog to ingest this product.
- Do not apply for 4 weeks.

READ ENTIRE LABEL BEFORE EACH USE. USE ONLY ON DOGS AND PUPPIES 7 WEEKS OR OLDER.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS. CAUTION. Harmful if swallowed. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet.

HAZARDS TO DOMESTIC ANIMALS. For external use on dogs only. Individual sensitivity, while rare, may occur after using API® pesticides product for dogs. Do not treat your dog with more than one pesticide product at a time. Over dosing your dog can result in serious illness and even death. Consult a veterinarian before using this product on medicated, debilitated, aged, pregnant or nursing dogs.

FIRST AID
If swallowed: • Call a poison control center or doctor immediately for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by the poison control center or doctor. • Do not give anything by mouth to an unconscious person. • If in eyes: • Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice. If on skin or clothing: • Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.
