**Precautionary Statements**

**Hazards to Humans – Caution:**
Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco.

**Hazards to Domestic Animals:**
Do not use on dogs or puppies less than 12 weeks old or weighing less than 61 lbs. Do not use this product on debilitated, aged, medicated, pregnant or nursing animals or on animals known to be sensitive to pesticide products without first consulting a veterinarian. Sensitivity, such as slight transient redness of the skin at the site of application, may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap, rinse with large amounts of water, and consult a veterinarian immediately.

**Environmental Hazards:**
This product is toxic to fish.

**First Aid:**
If in eyes: • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a Poison Control Center or doctor for treatment advice. **Hot Line Number:** Have the product container or label with you when calling a poison control center, doctor or veterinarian, or going for treatment. When calling a poison control center, you may call 1-800-275-1414. Have the following information ready: • Name of product • Amount used • Symptoms • Time product was used • Phone number of veterinarian or doctor for treatment. For more information, call our experts at 1-800-275-1414.

**Storage and Disposal:**
Pesticide Storage: Keep this product in its tightly closed original container, when not in use. Store in a cool, dry (preferably locked) area that is inaccessible to children and animals. Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Container Handling: Non-refillable container. Do not reuse or refill container. If empty: Offer for recycling, if available. Call your local solid waste agency for disposal instructions. Never place empty container in a fire.

**Active Ingredients:**
* Pyrethrins 55.0% * Pyrethrin 2 10.0% * Piperonyl butoxide 1.0% * Methylhydroxyindanone 34.0% 190.0%

**Other Ingredients:**
* **Non-Pyrethroid Insecticides:**
  * N-octyl bicycloheptene dicarboximide . . . . . . . . 1.0%

**Recommended Uses:**
- KILLS Fleas, Brown Dog Ticks, Deer Ticks for 30 Days
- Repels Mosquitoes
- Fast Acting
- Monthly treatments
- For use only on dogs and puppies 12 weeks of age or older weighing 61 to 150 lbs.

**Directions for Use:**
1. Remove one applicator tube from the package and hold in an upright position pointed away from your face.
2. Pull off cap. Turn the cap around and place on top of tube.
3. Simply press cap down to break the seal of the tube. Remove cap carefully.
4. Position the tip of the tube on the dog's back between the shoulder blades. Use the tip of the tube to part the dog's hair so that the product will be applied at skin level. Begin squeezing out the contents of the tube to form a stripe as you move from the shoulder blades along the dog's back to the base of the tail.
5. Repeat every month.
6. Do not bathe your dog 48 hours prior to application.
7. Separate treated dog from other pets for 24 hours after treatment has been applied.

**Side Effects:**
Monitor your dog after application. Side effects, although very rare, may include signs of skin irritation such as redness, scratching, or other signs of discomfort. Gastrintestinal signs such as vomiting or diarrhea have also been reported. If these or other side effects occur, consult your veterinarian or call 1-800-275-1414.

**For use only on dogs and puppies 12 weeks of age or older weighing 61 to 150 lbs.**
