FRESH AIR™ LOCK Urinal and Drain Treatment is a bio-based and biodegradable treatment for use in waterless urinals and drains. FRESH AIR™ LOCK floats on urine, water and other liquids in drains and urinal traps to effectively lock out the air that creates and carries the odors out of the drain, while creating a safe barrier between the user and the fluids in the drains.

Formulated with Fresh Air™ Technology, this product also works to control and repel both insects and rodents around the drains. Control gnat and fruit fly infestations in drains. Repel mosquitoes, flies and more, that are drawn to both urinal and floor drains. Repel rodents from floor drains.

FRESH AIR™ LOCK:
- Earth Smart® Certified;
- Floats on water, urine and other liquids;
- Locks air out and sewer odors in;
- Will not evaporate to 100°F;
- Will not freeze above -14°F;
- Aromatherapy benefits of peppermint oil refresh and energize.

DIRECTIONS FOR USE:
WATERLESS URINALS: Simply pour 3 ounces of FRESH AIR™ LOCK directly into holes of trap to fill filter cartridge. Refill as needed. Each 3 ounce application lasts for approximately 1,500 uses.

DRAINS: Depending on drain size, add 3 to 5 ounces of product to create a layer across the top of the fluid in the drain. Re-application will vary depending on drain flow. Replace when layer is noticeably deteriorated or odors begin to return.

NOTE: Do not subject this product to disinfectants, boiling water, or chlorinated products.

PRECAUTIONAL STATEMENTS:

FIRST AID MEASURES:
- IF IN EYES: Immediately flush eyes thoroughly with water for at least 15 minutes. If symptoms develop, seek medical attention.
- IF ON SKIN: Wash with soap and water. If irritation persists, seek medical attention.
- IF INHALED: Not likely, due to the form of the product. If symptomatic, move to fresh air. Seek medical attention if irritation persists.
- IF SWALLOWED: Do not induce vomiting. Drink several glasses of water. See physician if symptoms persist. Never give anything by mouth to an unconscious person.

Active Ingredients:
- From Plant Essential Oils
  - Soybean Oil: 99.275%
  - Peppermint Oil: 0.325%
  - Cornmint Oil: 0.325%
- Inert Ingredients:
  - Chlorophyll a: 0.075%
- TOTAL: 100.000%

KEEP OUT OF REACH OF CHILDREN.
