AmeriAg Insecticide Strips
(Insecticide Add-on to mineral feeders)
Keep Out of Reach of Children

CAUTION
See back panel for additional precautionary statements

ACTIVE INGREDIENTS:
Zetacypermethrin, S-enantiomer
S-cyano (3-phenoxypyphenyl) methyl (±) cis/trans 3,2-dimethylcyclopropane-carboxylate* ................. 10%
*Cis/trans isomer ratio: Max. 55% (±) cis and Min. 45% (±) trans
Piperonyl Butoxide
(butylcarbityl) (6-propylpiperonyl) ether and related compounds .................. 20%
OTHER INGREDIENTS ........................................... 70%
TOTAL ................................................................. 100%

NET WT. 0.66 oz. (18.8 GRAMS) PER STRIP CONTENTS: 10 STRIPS (with 10 kick out rings)
EPA EST. NO. 39039-WY-01 EPA REG. NO. 39039-22
Manufactured for: AmeriAg, 4824 Friendship Rock Creek Road, Burlington, NC 27215

For use on AmeriAg Mineral Feeders for Beef Cattle and Dairy Cattle (including lactating)
and Calves to Control Horn Flies

Cattle treat and re-treat themselves while simultaneously getting nutritional mineral!
- Fits both sizes of old and new model designs of AmeriAg Mineral Feeders.
- Perfect for range cattle as it prevents having to catch and work cattle to provide fly control

**ASSEMBLY INSTRUCTIONS**

**Step 1** - Using a 1/8" bit, drill 10 holes for kick out rings in the edge of the upper arch of the mineral feeder opening. Make a mark at the center edge of the top arch of the opening (12 O'clock). Starting 1 inch from the right of the center mark drill 5 holes 1-3/4 inches apart in the edge of the arch opening. Repeat 5 holes for the left hand side of the center mark. The holes need to be approximately 1/8 to 1/4 of an inch from the edge of the feeder opening.

**Step 2** - Attach the kick out rings to the feeder by threading them through the 10 holes previously drilled. Thread the kick out rings in the holes starting with the edge of the ring that sticks out.

**Step 3** - Thread the strip via hole onto the kick out rings that are attached to the feeder. This is done the same way that you threaded the kick out ring into the feeder. Starting with the section of the ring that sticks out. Feeder is now ready for use.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. This labeling must be in the possession of the user at the time of pesticide application.

Place mineral feeders in use 14 days prior to placement of insecticide strips to get cattle used to the feeders and using them. Apply 10 strips per feeder (1 feeder per 10 – 30 head). Keep feeders well supplied with minerals and place close to water to encourage daily use. When strips become ineffective, remove or replace.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**PESTICIDE STORAGE:** Store in a cool place in original container, away from direct sunlight. Opened bags containing strips should be resealed for storage.

**PESTICIDE DISPOSAL:** No withdrawal time required before slaughter. Securely wrap used strips in a plastic bag or several layers of newspaper and discard in trash.

**CONTAINER HANDLING:** Non-refillable container. Do not reuse bag. Discard bag in trash, or offer for recycling if available.

---

**FIRST AID**

This product contains zeta-cypermethrin, a pyrethroid insecticide, and piperonyl butoxide technical, a mixed-function oxidase inhibitor.

**If swallowed**

- Call a poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to by a poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

**If on skin or clothing**

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

**HOT LINE NUMBER**

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-255-3924 for emergency medical treatment information.

**KEEP OUT OF REACH OF CHILDREN**

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION**

Harmful if swallowed. Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Wear long-sleeved shirt and long pants, socks, shoes, and gloves. Remove and wash contaminated clothing before reuse.

**USER SAFETY RECOMMENDATIONS**

- User should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.
- User should remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
- User should remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

**ENVIRONMENTAL HAZARDS**

This pesticide is extremely toxic to fish and aquatic invertebrates. Do not contaminate water by disposal of used strips. Use this product only as specified on this label.

**NOTICE OF WARRANTY**

To the extent consistent with applicable law, Amerityc, LLC MAKES NO WARRANTY OF MERCHANTABILITY, FITNESS FOR ANY PURPOSE, OR OTHERWISE, EXPRESSED OR IMPLIED concerning this product or its uses which extend beyond the use of the product under normal conditions in accord with the statements made on this label, and in any case, is limited to replacement of strips only.
