- Bleach-based formula
- Reaches 2nd story
- Bleach-based formula
- NET CONTENTS: 64 FL. OZ. (1.89L)

**Use**

1. Attach garden hose to nozzle with valve in OFF position. Turn on water to hose.
2. Turn nozzle to JET SETTING and spray 3 inches (76mm) onto the surface. Allow to work for 10 minutes. Wash off.
3. Turn nozzle to SHOWER SETTING and rinse area well with HOSE END sprayer. Spray surrounding plants with water.
4. Turn nozzle to WIDE SPRAY and apply an additional coat to areas that may have missed the first application. Allow to work for 10 minutes. Spray surrounding plants with water.
5. To refill: remove hose end sprayer. Pour in product from Mold Armor E-Z House Wash Gallon and replace hose end. Turn to OFF for storage.

**Important:**

- Use outdoors only on surfaces designed for bleach cleaning that can handle the PH of the product. Do not use on marble, granite, glass, concrete countertops or metal.
- Test on an inconspicuous area before using. Wear eye protection and rubber gloves during use. Formula may stain clothes and shoes—use only. Oxidation from sun and elements or biogrowth (mold, mildew or algae) can cause permanent discoloration on outside surfaces.
- Contains sodium hypochlorite, which is corrosive to some metals and finishes.
- Store with lid closed in areas inaccessible to children.
- **WARNING:** Use in accordance with EPA and local regulations.

**Dangers:**

- Keep out of reach of children
- Corrosive
- Hazardous to aquatic life
- Poison

**Toxicity:**

- Chemical: Corrosive
- Physical: Oxidizing
- Health: None

**Storage and Disposal:**

- Store in a cool, dry place.
- Do not store near heat or open flame.
- Do not freeze.
- **WARNING:** Do not mix with other chemicals, bleach, ammonia, or acid products.
