Kills fleas
Kills flea eggs and flea larvae
Kills ticks including those that may transmit Lyme disease
B E F O R E   U S E
0.051 fl.oz. (1.5 ml.)
1.5 lbs or more

Position the dispensing tip on the cat's back between the shoulder blades. Use the dispensing tip of the tube to part the cat's hair so that the product will be applied at skin level. Squeeze applicator, applying solution to the skin, until the tube is empty. Do not apply solution directly to the cat's eyes, mouth, nose, or ears. Do not use on kittens under 8 weeks of age or weighing less than 1.5 lbs. Sensitivities may occur after using any pesticide product for cats. If signs of sensitivity occur bathe your cat with mild soap and rinse with large amounts of water. Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water, or give two cups of milk if person is able to swallow. Do not induce vomiting unless told to do so by a doctor or poison control center. Use water, not milk, for an unconscious person. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco or using the toilet.

DIRECTIONS FOR USE
TO PREVENT HARM TO YOU AND YOUR CAT READ ENTIRE LABEL AND DIRECTIONS BEFORE EACH USE. FOLLOW ALL RESTRICTIONS.

For use ONLY on Cats and Kittens
8 weeks and older Weighing
1.5 lbs or more 3 DOSES

For use ONLY on Cats and Kittens

FRONTLINE® GOLD FOR CATS

Fast-Acting • Long-Lasting • Waterproof

Triple Action Formula
  - Kills fleas
  - Kills flea eggs and flea larvae
  - Kills ticks including those that may transmit Lyme disease

6 MONTHLY DOSES

NET CONTENTS: 0.102 fl. oz. (3.0 ml)
CONTAINS 6 x 0.017 fl. oz. (0.5 ml) APPLICATORS

FRONTLINE® GOLD FOR CATS remains effective even after bathing, water immersion, or exposure to sunlight. Avoid contact with treated area until dry. Do not reapply FRONTLINE GOLD FOR CATS for 30 days.

FRONTLINE® Gold for Cats is approved for use on cats, including breeding, pregnant, and lactating queens.

When used monthly, FRONTLINE GOLD FOR CATS breaks the flea life cycle and controls tick and chewing lice infestations. Research demonstrates that FRONTLINE GOLD FOR CATS kills adult fleas, flea eggs, flea larvae, and chewing lice. As a result, FRONTLINE GOLD FOR CATS protects cats from reinfestation or if the cat has fleas that may cause flea allergy dermatitis, a once monthly application may be needed.

FOR USE ONLY ON CATS AND KITTENS 8 WEEKS AND OLDER WEIGHTING 1.5 LBS OR MORE

Kills fleas

DO NOT USE ON RABBITS, DOGS, PUPPIES OR OTHER ANIMALS. DO NOT REAPPLY FRONTLINE GOLD FOR CATS FOR 30 DAYS.

DO NOT ALLOW YOUR CAT TO INGEST THIS PRODUCT.

DO NOT APPLY TO CATS UNDER 8 WEEKS OF AGE AND WEIGHING LESS THAN 1.5 LBS

DO NOT EXCEED LISTED DOSAGE AMOUNT FOR CATS.

DO NOT ALLOW CATS TO GROOM EACH OTHER UNTIL PRODUCT HAS DRIED.

CON SULT VE TER I N ARIAN BEFORE USING THIS PRODUCT ON MEDICATED, DEBILITATED, OR AGED CATS.

IF SWALLOWED:
Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water and allow them to gargle.

IF ON SKIN OR CLOTHING:
Remove clothing and wash affected areas with soap and water. Wash any unauthorized contact with soap and water.

HAZARDS TO DOMESTIC ANIMALS
FRONTLINE® Gold for Cats is for use on cats only. DO NOT USE ON RABBITS, DOGS, PUPPIES OR OTHER ANIMALS.

CAUTION:
Keep out of reach of children. Do not open until ready to use. Do not damage or alter this product container. The dispersion tip contains a needle. Do not misuse, use only as directed.

Note to User: FRONTLINE® Gold for Cats is designed so the tube will break at the neck after the applicator tip is opened. This breaking of the tube is normal. Do not attempt to reseal the applicator tip or tube.

STORAGE AND DISPOSAL
Store in a cool, dry, safe place, preferably out of reach of children and animals.

CON SULT VE TER I N ARIAN BEFORE USING THIS PRODUCT ON MEDICATED, DEBILITATED, OR AGED CATS.

FIRST AID

IF SWALLOWED:
Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water and allow them to gargle.

For use ONLY on Cats and Kittens 8 weeks and older Weighting 1.5 lbs or more

6 DOSSES
FRONTLINE GOLD FOR CATS

For use ONLY on Cats and Kittens Weighing 1.5 lbs or more

Triple Action formula, Fast Acting, Long Lasting, Waterproof

Kills fleas, flea eggs, flea larvae and ticks including those that may transmit Lyme Disease

ACTIVE INGREDIENTS:
Fipronil .................................................. 9.80%
(S)-Methoprene ...................................... 11.80%
Pyriproxyfen ........................................... 0.25%

OTHER INGREDIENTS .................................. 78.15%

TOTAL .................................................. 100.00%

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS. CAUTION.
Harmful if swallowed. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco or using the toilet.

HAZARDS TO DOMESTIC ANIMALS
For external use only. Do not use on kittens under 8 weeks of age or weighing less than 1.5 lbs or more, as follows:

- DO NOT APPLY TO CATS UNDER 8 WEEKS OF AGE AND WEIGHING LESS THAN 1.5 lbs.
- DO NOT EXCEED LISTED DOSAGE AMOUNT FOR CATS.
- DO NOT ALLOW YOUR CAT TO INGEST THIS PRODUCT.
- DO NOT USE ON RABBITS, DOGS, PUPPIES OR OTHER ANIMALS.
- DO NOT REAPPLY FRONTLINE GOLD FOR CATS FOR 30 DAYS.
- DO NOT DOUBLE-DOSE OR APPLY MORE THAN ONE APPLICATOR TUBE PER TREATMENT FOR ONE CAT REGARDLESS OF THE CAT’S WEIGHT.
- DO NOT ALLOW CATS TO GROOM EACH OTHER UNTIL PRODUCT HAS DRIED.

HAZARDS TO HUMANs
CAUTION.

-FRONTLINE GOLD FOR CATS contains Fipronil and the insect growth regulators (IGR) (S)-Methoprene and Pyriproxyfen (Nylar®). FRONTLINE GOLD FOR CATS effectively targets all stages of fleas. Fipronil collects in the oils of the skin and hair follicles, and continues to be released from hair follicles onto the skin and coat, resulting in long-lasting activity against fleas, ticks, and chewing lice.

-FRONTLINE GOLD FOR CATS kills adult fleas, flea eggs, and flea larvae for up to six weeks. FRONTLINE GOLD FOR CATS also prevents development of all flea stages for up to six weeks. FRONTLINE GOLD FOR CATS kills ticks for at least one month. A once monthly application is recommended where tick control is needed. Although FRONTLINE GOLD FOR CATS can control flea eggs for up to six weeks, if there is a high risk of reinfection or if the cat has fleas which may cause flea allergy dermatitis, a once monthly application may be needed.

-FRONTLINE GOLD FOR CATS remains effective even after bathing, water immersion, or exposure to sunlight. Avoid contact with treated area until dry. Do not reaply FRONTLINE GOLD FOR CATS for 30 days.

FRONTLINE Gold for Cats is approved for use on cats, including breeding, pregnant, and lactating queens.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage or disposal. Do not use or store near heat or open flame.

PESTICIDE STORAGE: Keep this product in its tightly closed original container, when not in use. Store in a cool, dry (preferably locked) area that is inaccessible to children and animals.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER HANDLING: Non-refillable container. Do not reuse or refill this container. If empty, offer for recycling, if available or place in trash. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

FIRST AID

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

HOT LINE NUMBER: Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For additional information on this product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-660-1842, 24 hours per day, 7 days per week.

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not allow children to apply product.

TO PREVENT HARM TO YOU AND YOUR CAT READ ENTIRE LABEL AND DIRECTIONS BEFORE EACH USE. FOLLOW ALL DIRECTIONS AND PRECAUTIONARY STATEMENTS CAREFULLY. USE ON CATS ONLY.

READ ENTIRE LABEL BEFORE EACH USE.

Fast-Acting • Long-Lasting • Waterproof
Triple Action Formula

- Kills fleas
- Kills flea eggs and flea larvae
- Kills ticks
  (including those that may transmit Lyme disease)

**Before Use**

**Physical or Chemical Hazards**

**First Aid**

- **If swallowed**: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
- **If in eyes**: Flush with plenty of water and gently and immediately for 15 minutes. Remove contact lenses, if present, after first 5 minutes, then continue flushing eye. Call a poison control center or doctor for treatment advice.
- **If on skin or clothing**: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 minutes. Call a poison control center or doctor for treatment advice.
- **Hot Line Number**: Have the product container or label with you when calling a poison control center or doctor. For additional information on the product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-660-1842, 24 hours per day, 7 days per week.

**Directions for Use**

FRONTLINE GOLD FOR CATS effectively targets all stages of fleas. Fipronil collects in the oils of the skin and hair follicles, and continues to be released from hair follicles onto the skin and coat, resulting in long-lasting activity against fleas, ticks, and chewing lice. To kill fleas, all stages of brown dog ticks, American dog ticks, lone star ticks, and deer ticks [which may carry Lyme disease], and chewing lice, apply to cats and kittens 8 weeks and older weighing 1.5 lbs or more, as follows:

- Position the dispensing tip on the cat’s back between the shoulder blades, about 1/2 turn from the skin level. Squeeze applicator, applying entire contents in a single spot on the cat's skin. Reposition treated cat from other parts for 24 hours after treatment has been applied. You may bathe your cat 48 hours after application.
- To prevent harm to you, remove the applicator tube from the package and hold in an upright position pointed away from your face.

**Frequency of Application**

- When used monthly, FRONTLINE GOLD FOR CATS breaks the flea life cycle and controls ticks and chewing lice infestations. Research demonstrates that FRONTLINE GOLD FOR CATS 4.8% adult, flea, ticks, and flea larvae for up to six weeks. FRONTLINE GOLD FOR CATS also prevents development of flea stages for up to six weeks. FRONTLINE GOLD FOR CATS kills ticks for at least one month and controls development of all flea stages for up to one month. A single monthly application is recommended where tick control is needed. Although FRONTLINE GOLD FOR CATS controls fleas for 30 days, there is a high risk of reinfestation if the cat has fleas which may cause a flea allergy dermatitis, so monthly application may be needed.
- FRONTLINE GOLD FOR CATS remains effective even after bathing, water immersion, or exposure to sunlight. Avoid contact with treated area until dry. Do not reapply FRONTLINE GOLD FOR CATS for 30 days.

**Storage and Disposal**

Do not contaminate water, food, or feed by storage or disposal. Do not apply on or near edible food or feeds used for human consumption. Do not use near livestock or poultry. Store in a cool, dry place. Do not contaminate water, food, or feed by storage or disposal. Do not use near livestock or poultry.

**Pesticide Storage**

Keep this product in its tightly closed original container when not in use. Store in a cool, dry (preferably locked) area that is inaccessible to children and animals.

**Pesticide Disposal**

Waste resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**Container Handling**

Non-refillable container. Do not reuse or refill this container. (Keep for Offering for recycling, if available or place in trash. If partly filled:

- Place empty container in a covered or punctured container and place in an approved waste disposal facility.

**Precautionary Statements:**

**Hazards to Humans and Domestic Animals**

Keep out of reach of children. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco products.

**Restrictions**

**For external use only. Do not use on kittens under 8 weeks of age or weighing less than 1.5 lbs. Sensitivities may occur after using ANY pesticide product for cats.** If signs of sensitivity occur: bathe your cat with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. Cats may experience some temporary irritation at the site of product application. Consult a veterinarian before using this product on pregnant, sedated, or debilitated, or sick cats.

**Call 1-800-660-1842 for 24-hour assistance.**

**HOT LINE NUMBER:** Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For additional information on the product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-660-1842, 24 hours per day, 7 days per week.

**Read Entire Label Before Each Use**

**Use on CatS Only.**

**Directions for Use:**

- Place empty container in a covered or punctured container and place in an approved waste disposal facility.
- Non-refillable container. Do not reuse or refill this container. (Keep for offering for recycling, if available or place in trash. If partly filled:

- Place empty container in a covered or punctured container and place in an approved waste disposal facility.

**Active Ingredients:**

- Fipronil 9.80%
- (S)-Methoprene 11.80%
- Pyriproxyfen 0.25%
- OTHER INGREDIENTS: 28.15%

**KEEP OUT OF REACH OF CHILDREN.**

**Caution:** See back panel for first aid and additional precautionary statements.
To ensure continued protection of your pets, use these stickers as a reminder to apply and repurchase FRONTLINE GOLD. After treating your pet for the first time, peel off the sticker and place on your calendar that day. Place the remaining stickers on your calendar as a reminder to apply FRONTLINE GOLD monthly.

**6 Months**
Use all 6 stickers

**3 Months**
