Natural Care™ Flea & Tick Shampoo was created to safely and effectively kill harmful fleas, flea larvae, and ticks, when used as directed. Our unique blend of plant extracts is naturally sourced from Clove and Cottonseed Oils that, when combined, create a strong yet gentle defense for your pet.

- Kills Fleas, Flea Larvae & Ticks by Contact
- Made with Gentle Botanical Oils
- Safe for Use Around Children
- Safe on Dogs & Cats, 12 Weeks & Older
- Light, Soothing Scent

To safely protect your family and home, try our complete line of Natural Care™ Flea & Tick products.

**Directions for Use:**

READ ENTIRE LABEL BEFORE EACH USE AND USE ONLY IN ACCORDANCE WITH LABEL INSTRUCTIONS.

For Use Only on Dogs & Cats Over 12 Weeks Old:

1. Wet entire coat with warm water.
2. Apply shampoo and lather. Avoid contact with eyes, mouth, nose and genitals. Massage thoroughly into pet's coat. Be sure to treat hard-to-reach areas such as between toes. For best results, let stand or continue to massage for 5-10 minutes.
3. Rinse thoroughly to remove dead fleas and ticks and dry pet with towel.
4. Repeat as necessary. In order to help reduce the occurrence of fleas and ticks, this product is best used year round and is safe to use as frequently as needed. For added protection against fleas and ticks try Natural Care™ Flea & Tick Drops or Natural Care™ Flea & Tick Home Spray.

**Precautionary Statements:**

**Hazards to Humans and Domestic Animals:**

**CAUTION:** Causes moderate eye irritation. Wash hands thoroughly with soap and water after use. Prolonged or frequent repeated skin contact may cause allergic reaction in some individuals. For external use only.

**Domestic Animals:** Sensitivity may occur after use of any product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue consult a veterinarian immediately. Consult a veterinarian prior to use on pregnant or nursing animals. For external use only.

**FIRST AID**

- **IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lens if present, after the first 5 minutes, then continue rinsing eye. If irritation persists contact a physician.
- **IF ON SKIN:** Wash with soap and water and repeat if necessary.
- **INHALATION:** Remove to fresh air.
- **INGESTION:** Immediately drink plenty of water. Do not induce vomiting. If symptoms persist, contact a physician.

**Storage:** Store only in original container in a cool, dry area.

**Disposal:** In accordance with all Federal, State and Local regulations.
