**pH PLUS®**

BALANCER
Allows Sanitizer to Work
More Effectively
Raises pH in Swimming Pools

**KEEP OUT OF REACH OF CHILDREN**

**WARNING**
CAUSES MODERATE TO SEVERE EYE IRRITATION.
MAY CAUSE MILD TO MODERATE SKIN IRRITATION.

Read all Precautionary Statements
and First Aid on back panel before use.

**NET WT. 25 lbs. (11.3 kg)**

---

**PRINCIPAL FUNCTIONING AGENT:**
Sodium Carbonate 89%
CONSTITUENTS INEFFECTIVE AS ADJUVANTS 1%
TOTAL 100%

Not for aquatic environments such as lakes, streams, ponds.

**BALANCER**
This product raises the pH of swimming pool water. The ideal pH range is 7.2-7.6. This pH range will:
• Allow your sanitizer to work more effectively
• Reduce equipment corrosion
• Reduce eye irritation
• Reduce skin dryness

DIRECTIONS FOR USE:
READ ALL PRECAUTIONS BEFORE USE.
BEFORE ADDING THIS PRODUCT TO YOUR POOL:
1. Measure the pH of pool water with a poolife® 6-Way Test Strips.
2. The pH should be measured each time a sanitizer is added.
3. Use the table shown to determine the correct amount of this product.

HOW TO ADD THIS PRODUCT TO YOUR POOL:
1. Scatter this product over the pool surface.
2. Keep the circulation pump running.
3. Check the pH again after 2 hours.
4. Repeat treatment if necessary.

HOW TO PREVENT pH VARIATIONS OR BUFFERING:
1. Keep the total alkalinity between 60-120 parts per million (ppm).
2. Each month, test total alkalinity with a poolife® 6-Way Test Strips.

DOSAGE OF THIS PRODUCT IN OUNCES
**PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS.** WARNING. Causes moderate to severe eye irritation. May cause mild to moderate skin irritation. Avoid contact with eyes, skin, and clothing. Avoid breathing dust. Wear goggles and rubber gloves when handling. Wash hands thoroughly after handling. Remove contaminated clothing and wash before reuse. Do not mix this product with other chemicals.

### FIRST AID:
**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. Call a poison control center or doctor for treatment advice.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 – 20 minutes. Call a poison control center or doctor for treatment advice.

**IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth if possible. Call a poison control center or doctor for treatment advice.

**IN CASE OF EMERGENCY CALL: 1-800-654-6911**

Have the product container or label with you when calling a poison control center or doctor or going for treatment.

### STORAGE AND DISPOSAL
Keep product in tightly closed container when not in use. Store out of reach of children and away from heat or open flame. Use entire contents, then triple rinse and offer for recycling, or dispose in accordance with state and local regulations. Do not reuse empty container.
