Soft Surface Sanitizer

Cleaner – Sanitizer – Deodorizer
For Institutional and Industrial Use
Effective in hard water up to 200 ppm hardness [calculated as CaCO₃] in the presence of 5% serum contamination

Active Ingredients:
- Octyl decyl dimethyl ammonium chloride ................. 3.255%
- Dodecyl dimethyl ammonium chloride ...................... 1.302%
- Didecyl dimethyl ammonium chloride ...................... 1.953%
- Alkyl (C₁₄, 50%; C₁₂, 40%; C₁₆, 10%) dimethyl benzyl ammonium chloride ...................... 4.340%
- Other Ingredients .................................................. 89.150%
Total: ........................................................................ 100.000%

KEEP OUT OF REACH OF CHILDREN
DANGER/PELIGRO

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling poison control center or doctor or going for treatment.

Soft Surface Sanitizer

- Deodorizes by killing microorganisms that cause offensive odors.
- Effectively controls malodors.
- Quaternary blend disinfectant effective in 200 ppm hard water and 5% organic load.
- Effective soft surface sanitizer.
- Effective on fabric surfaces. For use on soft surfaces such as Soft Household Surfaces, Upholstery, Fabric, Upholstered Couches, Sofas, Chairs, Seat Cushions, Upholstered Cushions, Pillows, Upholstered Furniture, Fabric Window Treatments, Curtains, Draperies, Shower Curtains, Laundry, Diaper Bags, Back Packs, Fabric Hampers, Pet Bedding, Blankets, Upholstered Car Seats, Stuffed Animals, and Toys.
- Cost effective for use on soft surfaces.
- One step sanitizer for soft surfaces.
- Sanitizes soft surfaces in 5 minutes.
- Is a proven soft surface sanitizer against:
  - Staphylococcus aureus
  - Enterobacter aerogenes
- Use in the laundry to control odors on musty bedding and linens. Test on a small inconspicuous area before using. (Not for use in California)

Other suggested Uses: Offices, Locker Rooms, Health Spas, Conference Rooms, Smoking Areas, Lounges, Day Care Centers, Dry Cleaners, Theaters, Auditoriums and Churches.

Soft Surface Sanitizer is effective at eliminating odors on porous surfaces such as upholstery, drapes, carpets, bedding, shower curtains, mattresses and non-porous surfaces such as walls and floors. Excellent for fire restoration.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. This product is not for use on medical device surfaces. Prepare a fresh solution daily or more often if the use solution becomes visibly diluted or soiled.

TO SANITIZE SOFT SURFACES:
Add 1 - 2 oz. per gallon of water. Apply use-solution with a sprayer. Hold bottle 6" - 8" from surface and spray until fabric is wet. Fabric must remain wet for 5 minutes. Allow fabric to air dry. Reapply as necessary. Heavily soiled areas must be cleaned prior to sanitizing.

TO CLEAN AND DEODORIZE: Mix 1 oz. of Soft Surface Sanitizer per gallon of water to clean and deodorize surfaces. Apply using a cloth, mop, sponge or sprayer. Wipe or allow to air dry.

Cleaning Solution: Dilute 1 - 2 oz. per gallon of water for cleaning of kitchen counters, tables, walls, bathrooms, toilet seats, mopping floors and large routine applications. Apply to surfaces using cloth, mop or sponge. Remove excess liquid or allow surfaces to air dry.

Deodorizing Directions:

Laundry: 1 oz. per load added during the final rinse cycle deodorizes all offensive odors.

Carpets: 1 - 2 oz. per gallon of water eliminates odors associated with urine, vomit, smoke, and mildew. Reapply after cleaning for freshening effects. Allow to dry.

Pet Odors: Use 4 - 6 oz. per gallon of water or desired concentration, for urine, feces, and vomit, in carpet and upholstery. Clean prior to application then spray onto affected areas. Test hidden area for colorfastness. Allow 10 minutes contact time. Then blot with clean cloth. Allow to dry. Also effective on pet bedding and litter boxes.

Sewage Backup, Water Damage: 2 - 4 oz. per gallon of water or desired concentration. Spray over affected areas before and after cleaning and extraction. Allow ten minutes contact time. Use proper ventilation; open windows.

WATER DAMAGE RESTORATION AGAINST ODOR-CAUSING BACTERIA AND FUNGI FOR HOME, INSTITUTIONAL, INDUSTRIAL AND HOSPITAL USE: (Not for use in California)

This product is particularly suitable for use in water damage restoration situations against odor causing bacteria on the following porous and semi-porous materials: carpets, carpet cushions, subfloors, drywall, trim and frame lumber, tackless strip and paneling. Using appropriate dilution, saturate the affected materials with enough product to remain wet for at least 10 minutes.

Sewer Backup and River Flooding: During mitigation procedures, dilute 1 - 2 oz. of the concentrate per gallon of water, allowing for the diluting effect of absorbed water within saturated materials. Remove gross filth or heavy soil along with non-salvageable materials. Saturate all affected areas with a coarse spray device before and after cleaning and extraction.

Carpets, Carpet Cushions and Other Porous Materials such as Subfloors, Drywall, Trim and Frame Lumber, Tackless Strip and Paneling: For water damage from a clean source, extract excess water. Test hidden area for colorfastness. Dilute 1 - 2 oz. of the concentrate per gallon of water, allowing for the diluting effect of absorbed water within saturated materials. Remove gross filth or heavy soil. Saturate all affected areas with a coarse
spray device. Roll, brush or agitate into the materials and allow materials to remain wet for 10 minutes. Follow with a thorough extraction. Dry rapidly and thoroughly.

**Special Instructions For Cleaning Carpet Against Odor Causing Bacteria:** Use this product in industrial and institutional areas such as homes, motels, hotels, nursing homes, schools, and hospitals. Use on wet-cleanable synthetic fibers. Do not use on wool. Vacuum carpet thoroughly prior to cleaning. Test fabric for colorfastness. For portable extraction units: Mix 1 oz. of concentrate per gallon of water. For truck mounted extraction machines: Mix 1 – 2 oz. of concentrate per gallon of water and meter at 4 gallons per hour. For rotary floor machines: Mix 1 oz. of concentrate per gallon of water and apply at the rate of 300 – 500 sq. ft. per gallon. Do not mix this product with other cleaning products. Follow the cleaning procedures specified by the manufacturer of the cleaning equipment. After using the product, set the carpet pile and protect the carpet from furniture legs and bases while drying. Do not over-wet. If applied to stain resistant nylon carpet, apply a fabric protector according to the manufacturer’s directions.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**DANGER.** Corrosive. Causes irreversible eye damage and skin burns. Do not get in eyes, on skin, or on clothing. Wear protective eyewear (goggles, face shield or safety glasses), protective clothing and protective (rubber or chemical resistant) gloves. Harmful if swallowed or if absorbed through the skin. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothing before reuse.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**Pesticide Storage:** Open dumping is prohibited. Store in original container in areas inaccessible to children.

**Pesticide Disposal:**

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

**Container Disposal:**

Nonrefillable container. Do not reuse or refill this container. Clean container promptly after emptying. Triple rinse as follows: Fill container ¼ full with water and reclose the container. Agitate vigorously, and dispose of rinsate consistent with pesticide disposal instructions. Repeat two more times. Then offer for recycling if available or puncture and dispose in sanitary landfill or by other procedures approved by state and local authorities. Follow pesticide disposal instructions for rinsate. If not triple rinsed, these containers are acute hazardous wastes and must be disposed in accordance with local, state, and federal regulations.
