- Two tags per animal gives season-long control of face flies, susceptible horn flies and Gulf Coast ticks
- May be used on lactating dairy cows
- Helps reduce aggravation caused by flying pests
- No withdrawal time required

---

**Guarantee**

*This guarantee is a limited guarantee, limited to the replacement of tags only, if the tags failed, after being properly applied, to remain in the animal's ear for a five (5) month period due to tag breakage or separation from button.

**Directions for Use**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For control of susceptible horn flies, attach one tag to each ear of each animal. Tags remain effective up to 5 months. For season-long control of Gulf Coast ticks and face flies, attach two ear tags per animal (one in each ear). Apply when flies first appear in spring. Replace as necessary. Apply with the Y-Tex two-piece tagging system.

**Step 1**

Place female tag under clip. Collar on tag must be pointing away from pin.

**Step 2**

Seat male button firmly on pin, press down and give a slight twist. Deinfect piliers and tags before application.

**Step 3**

Position tag between the 2nd and 3rd radial cartilage, in the 1/2 portion closest to the animal's head.

**KEEP OUT OF REACH OF CHILDREN**

**CAUTION**

**PRECAUTIONARY STATEMENTS**

Hazards to Humans and Domestic Animals

Wash thoroughly with soap and water after handling and before eating or smoking. Avoid contamination of feed and foodstuffs.

**ENVIRONMENTAL HAZARDS**

This pesticide is toxic to fish. Do not add directly to water. Do not contaminate water by disposal of used tags. Use this product only as specified on this label.

**ACTIVE INGREDIENTS**

Permethrin (3-phenoxypyphenyl) methyl (S)-cis, trans-3-(2,2-dichloroethenyl)-2, 2-dimethylcyclopropane-carboxylate* .................................................. 10.0%

**INERT INGREDIENTS** .................................................. 90.0%

*cis/trans ratio: Max 56% (S) cis and min 45% (S) trans

**100.0%**

---

**Storage and Disposal**

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in cool place away from direct sunlight. PESTICIDE DISPOSAL: Remove tags before slaughter. Securely wrap used tags in a plastic bag or several layers of newspaper and discard in trash.

CONTAINER DISPOSAL: Do not reuse. Discard bag in trash.

**NOTICE OF WARRANTY**

Y-Tex Corporation makes no warranty of merchantability, fitness for any purpose, or otherwise, expressed or implied concerning this product or its uses which extend beyond the use of the product under normal conditions in accord with the statements made on the label, and in any case, is limited to replacement of tags only.
