WARNING

Causes substantial but temporary eye injury. May be fatal if inhaled. Causes skin irritation. Do not breathe dust or spray mist. Do not get in eyes, on skin, or on clothing. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Wear a mask or pesticide respirator jointly approved by the Mining and Safety Administration and Ca

Hazards to Humans and Domestic Animals

FIRST AID

INHALED:
- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.
- Call a poison control center or doctor for treatment advice.

IN EYES:
- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

SWALLOWED:
- Call a poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to by a poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

IN CASE OF EMERGENCY:
CALL 1-800-424-9300

Environmental Hazards

This pesticide is highly toxic to fish. Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark. Drift and runoff from treated areas may be hazardous to aquatic organisms in neighboring areas. Do not contaminate water by cleaning of equipment or disposal of wastes.

Directions for Use

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Fungitrol 11E is a microbialicide which prevents microbial growth in the following matrices: Adhesives, caulks, coatings, stains, paints, cement-based products, and polymer compounds, wood plastic composite products, plastics including:
- Olefins for carpet yarns, container fibers, and marine tops.
- Nylons and Polyesters (not for clothing) for carpet yarns, container fibers, and marine tops.
- Urethanes for house wrap, insulation foams, automotive interiors, furniture coverings, hoses and tubing, gaskets, tarpsails, garden hose.
- ABS and other Styreneics for bath tubs, shower stalls, bathroom wall replacement panels and wood plastic composites.

The recommended use rate is 0.25% to 1.5% of Fungitrol 11E based upon the total weight of the formulation (2.5 to 15 lbs product/1000 lbs of compound).

Disclaimer: Product is not intended for use in food-contact articles, toys, or textiles and other materials use in prolonged direct dermal contact with the human body.

Storage and Disposal

Do not contaminate water, food, or soil by storage or disposal.

Pesticide Storage: Store the product in a dry place.

Pesticide Disposal: Waste resulting from spilling of the product or misuse of the equipment must be collected in the containers and disposed of at an approved waste disposal facility. If these wastes cannot be disposed of by the use according to label instructions, contact your State or Federal or Environment Agency or the Hazardous waste disposal representative at the nearest EPA Regional Office for guidance.

Container Handling:
- Nonmetallic container. Do not use or refill this container. Offer for recycling if available.
- Bag: Completely empty bag into application equipment. Then dispose of empty bags in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.
- Unlined Drum: Completely empty drum into application equipment. Then dispose of empty drum in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.
- Lined Drum: Completely empty drum by smelting and tapping sides and bottom to loosen depositing particles. Empty residue into application equipment. Then dispose of liner in a sanitary landfill or by incineration if allowed by state and local authorities. If drum is contaminated and cannot be reused, dispose of it in the manner required for its liner.

In case of minor spill, follow all precautions indicated above and clean up immediately. Sweep up and dispose of wastes and broken or empty containers in a landfill approved for pesticide use.

Limitation of Warranty and Liability

Read the entire directions for use, conditions of warranties and limitations of liability before using this product. If terms are not acceptable, return the unopened product container at once and stop using this product, user or buyer accepts the following CONDITIONS, DISCLAIMER OF WARRANTIES, and LIMITATIONS OF LIABILITY:

CONDITIONS: The directions for use of this product are believed to be adequate and must be followed carefully. However, it is impossible to eliminate all risks associated with the use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of Troy. All such risks shall be assumed by the user or buyer.
