**INSTRUCTIONS:**

1. Snap the cap off the tip of the tube.
2. Lift or spread the hair between the shoulder blades of the dog until you can see the skin.
3. Place the tip on the skin area of the dog and apply the entire amount of the tube from shoulder blade to mid-back. Hold the animal for a few seconds to allow the liquid to absorb.
4. Work any excess oil into hair before allowing your pet near furniture. Avoid bathing or submerging your dog in water for 24 hours after application.

**WARNING:** KEEP OUT OF REACH OF CHILDREN

Avoid contact with eyes or clothing. Wash hands immediately with soap and water after dispensing.
