EasyDefense™ Herbal Squeeze-On for Dogs uses natural active ingredients to effectively repel fleas, ticks and mosquitoes and to avoid bites, rashes and hot spots. This topical formula is easy to apply and contains no deet, ensuring natural, effective long term protection against fleas, ticks and other pests.

INSTRUCTIONS:
1. Snap the cap off the tip of the tube.
2. Lift or spread the hair between the shoulder blades of the dog until you can see the skin.
3. Place the tip on the skin area of the dog and apply the entire amount of the tube from shoulder blade to mid-back. Hold the animal for a few seconds to allow the liquid to absorb.
4. Work any excess oil into hair before allowing your pet near furniture. Avoid bathing or submerging your dog in water for 24 hours after application.

Apply once a month for continuous protection. Reapply after bathing with soap or shampoo.

ACTIVE INGREDIENTS
- Geranium 0.95%
- Peppermint Oil 0.1%

INERT INGREDIENTS
- Almond Oil 98.95%

TOTAL: 100%

WARNING: KEEP OUT OF REACH OF CHILDREN
Avoid contact with eyes or clothing. Wash hands immediately with soap and warm water after dispensing.

Part #: 999524 134759

This product is water resistant but not waterproof. Reapply after bathing with soap or shampoo. Apply more frequently if your dog sweats often.

Sensitivities may occur, we recommend testing the product by applying a few drops on the neck and waiting 24 hours before applying the full dose. If an adverse reaction occurs, bathe your pet with shampoo or a mild detergent, rinsing with large amounts of water. Contact your veterinarian if adverse symptoms continue or worsen.
