For use ONLY on Dogs and Puppies

3 DOSES

For External Use Only. Do not use on puppies under 8 weeks of age and weighing less than 5 lbs. Sensitivities may occur. Have the product container or label with you when calling a poison control center or doctor. Do not give anything by mouth to an unconscious person. Read and understand the entire label and these precautions before using this product.

HAZARDS TO HUMANS. CAUTION. Harmful if swallowed or absorbed through the skin. Causes eye irritation. Avoid contact with skin, eyes or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

Do not contaminate water, food, or feed by storage or disposal. Do not use or store near heat or open flame. Do not contaminate water, food, or feed by storage or disposal. Do not use or store near heat or open flame.

IF ON SKIN OR CLOTHING:
Take off contaminated clothing. Rinse skin thoroughly with plenty of water for 15 – 20 minutes. Call a poison control center or doctor immediately for treatment advice. Have the product container or label with you.

IF IN EYES:
Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. Call a poison control center or doctor immediately for treatment advice. Have the product container or label with you.

FIRST AID

For use ONLY on Dogs and Puppies

1. Remove one applicator tube from the package and hold in an upright position pointed away from your face. Pull off cap. Turn the cap around and place on top of tube.
2. Remove any resistance from the shoulder to the base of the tail. Place the applicator tube on the dog's back between the shoulder blades, at or near the base of the tail. Press firmly until you see the product emerge from the tube. You may bathe or wash the dog immediately after applying the product. Do not wash treated areas until dry.
3. Repeat every month.

For more information, call our experts at 1-888-843-2956 or contact CAP Supply, Inc., 303 Perimeter Center North, Atlanta, GA 30346. EPA Est. No. 2596-OH-1. Distributed by Merial Limited.

FRONTLINE PLUS for Dogs is not manufactured by or distributed by Merial Limited. Other Ingredients: (s)-Methoprene 8.80%, Fipronil 9.80%, Other Ingredients 81.40%. For additional information on this product including health concerns, when calling a poison control center or doctor, or going for treatment.
