**SIDE EFFECTS**

Monitor your dog after application. Side effects may include signs of skin irritation such as redness, scratching, or other signs of discomfort. Gastrointestinal signs such as vomiting or diarrhea have also been reported. If these or other side effects occur, consult your veterinarian or call 1-888-843-2956.

**CAUTION:**

- Do not use or store near heat or open flame.
- Do not allow children to apply product.
- Do not contaminate water, food or feed by storage and disposal.
- Call your local solid waste agency for disposal instructions.

**PESTICIDE DISPOSAL:**

Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:**

Non-refillable container. Do not reuse or refill this container.

**STORAGE AND DISPOSAL**

Keep this product in its tightly closed original container, when not in use. Store in a cool, dry (preferably locked) area that is inaccessible to children and animals. Do not contaminate water, food or feed by storage and disposal.

**DIRECTIONS FOR USE**

1. For use on dogs and puppies 8 weeks and older.
2. Twist dispensing tip clockwise about ½ turn while pushing down to break the applicator’s seal. Do not remove the dispensing tip.
3. Position the dispensing tip on the dog’s back between the shoulder blades. Use the dispensing tip of the tube to part the dog’s hair so that the product will be applied at skin level. Begin squeezing out the contents of the tube to form a stripe as you move from the shoulder blades along the dog’s back to the base of the tail.
