For use ONLY on DOGS and Puppies
8 weeks and older Weighing: Up to 22 lbs.

**ACTIVE INGREDIENTS:**
- **Fipronil**
- **(S)-methoprene**

**OTHER INGREDIENTS:**
- **(S)-methoprene**
- **Total**

**CONTAINS FIPRONIL and (S)-METHOPRENE, the ACTIVE INGREDIENTS used in FRONTLINE PLUS**

**Dosage and Administration:**
- **For Dogs and Puppies 8 weeks or older:**
  - For use ONLY on DOGS and Puppies up to 22 lbs.

**DIRECTIONS FOR USE:**
1. **Before Use:**
   - Remove any other topical medications from the dog’s skin.

2. **For a Seven (7) Day Period:**
   - Use one (1) tube for each dog. Do not mix tubes. If more than one (1) dog is treated at one time, use separate tubes for each dog. Do not allow the dog to lick or rub the treated area.

3. **Applying the Solution:**
   - Position the dispensing tip on the dog’s back between the shoulder blades. Use the dispensing tip of the tube to part the skin until the dog’s skin is clearly visible. Squeeze out the contents of the tube to form a stripe as you move from the shoulder blades along the dog’s back to the base of the tail. Do not use the tube to part skin.

4. **Washing Hands:**
   - Wash hands thoroughly with soap and water after handling the product.

**SIDE EFFECTS:**
- Monitor your dog after application. Side effects may include signs of skin irritation such as redness, scratching, or other signs of discomfort.
- Gastrointestinal signs such as vomiting or diarrhea have also been reported. If these or other side effects occur, consult your veterinarian or call 1-888-843-2956.

**CAUTION:**
- Harmful if swallowed. Causes eye irritation. Avoid contact with skin, eyes or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.
- Do not use or store near heat or open flame. COMBUSTIBLE.

**HAZARDS TO HUMANS. CAUTION.**
- In case of eye contact, immediately rinse eyes with plenty of water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
- If swallowed, do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. Do not give water or milk to make person vomit. Call a poison control center or doctor for treatment. For additional information on this pesticide product (including health concerns, medical emergencies or pesticide incidents) you may call 1-888-843-2956 twenty-four (24) hours per day, seven (7) days per week.
- IF SWALLOWED:
  - Call a poison control center or doctor immediately for treatment advice. IF IN EYES:
