DIRECTIONS FOR USE

1. Remove one applicator tube from the package and hold in an upright position pointed away from your face.
2. Position the dispensing tip on the dog's back between the shoulder blades. Use the dispensing tip of the tube to part the dog's hair so that the product will be applied at skin level. Begin squeezing out the contents of the tube to form a stripe as you move from the shoulder blades along the dog's back to the base of the tail. You may bathe your dog 48 hours after application.
3. Repeat every month.

RESTRICTIONS

- For use ONLY on Dogs or on Puppies 8 weeks and older weighing:
  - 5-22 lbs
- DO NOT USE on kittens, or other animals.
- DO NOT USE on rabbits, cats, dogs, especially those over 55 lbs, weighing less than 5 lbs.
- DO NOT EXCEED LISTED DOSAGE AMOUNT FOR DOGS.
- FOR DOGS weighing less than 5 lbs.
- DO NOT APPLY more than ONE TUBE to your dog at any one time.
- DO NOT APPLY MORE THAN ONE TUBE TO CATS.
- DO NOT USE on cats.

CAUTION:

- For external use only. Do not use on puppies under 8 weeks of age and animals.
- Do not contaminate water, food, or feed by storage or application of this product. Wash hands after handling.
- Do not use or store near heat or open flame. COMBUSTIBLE:
- Avoid contact with skin, eyes or clothing. Wash hands after handling.
- If signs of sensitivity occur, discontinue use and consult a veterinarian.

SIDE EFFECTS

- Include signs of skin irritation such as redness, scratching, or other signs of discomfort. Gastrointestinal side effects may include signs of vomiting or diarrhea have also been seen. Monitor your dog after application. Side effects may be more common in dogs with a high risk of reinfestation or if the pet has fleas which may cause flea allergy dermatitis. A once monthly application may be needed.

PHYSICAL OR CHEMICAL HAZARDS

- When using this product on medicated, debilitated, or aged dogs. Call your veterinarian before using this product on medicated, debilitated, or aged dogs. Call your veterinarian to discuss the use of this product in these situations.
- Irritation. Avoid contact with skin, eyes or clothing. Wash hands after handling.
