**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS**

- Harmful if swallowed or absorbed through the skin. Causes eye irritation. Harmful if inhaled.

**HAZARDS TO DOMESTIC ANIMALS**

- If ingested by a cat, contact your veterinarian.

**SIDE EFFECTS**

- Monitor your dog after application. Side effects may include signs of skin irritation such as redness, itching, or scaling.

**STORAGE AND DISPOSAL**

- Keep out of reach of children. Do not use or store near heat or open flame.

- Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Call your local pest control or waste disposal agency for disposal instructions. Never place this product in trash.

**FIRST AID**

- If swallowed: Rinse mouth thoroughly with water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth if unconscious. Do not give anything by mouth if you think it was swallowed.

- If on skin or clothing: Rinse skin immediately with plenty of water for 15 – 20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing eye.

- If in eyes: Remove any contact lenses. Wash out eyes with plenty of water for at least 15 minutes. Get medical advice.

**DISCONTINUATION OF TREATMENT**

- Treatment may be discontinued if signs of irritation such as redness, itching, or scaling are present for 48 hours. Contact your veterinarian for advice.

**FREQUENCY OF APPLICATION**

- Application is recommended where tick control is needed. Hartz® Pet Defender Plus™ for Dogs kills chewing lice for up to 12 weeks, and (S)-Methoprene, the active ingredient in Hartz® Pet Defender Plus™ for Dogs, completely breaks the flea life cycle and controls tick and flea infestations. Research demonstrates that Hartz® Pet Defender Plus™ for Dogs kills ticks for a least one month. A once monthly treatment is recommended where tick control is needed.

**USE ONLY ON**

- DOGS OR ON PUPPIES 8 WEEKS OF AGE AND OLDER.

**RESTRICTIONS**

- DO NOT USE ON CATS, KITTENS, OR OTHER ANIMALS.
- DO NOT USE ON RABBITS, CATS, KITTENS, OR OTHER ANIMALS.
- DO NOT change dosage in any manner.

**APPLICATION**

- Remove one applicator tube from the package and hold in an upright position pointed away from your face.

- Position the dispensing tip on the dog's back between the shoulder blades. Use the dispensing tip of the tube to part the dog's hair so that the product will be applied at skin level. Begin squeezing out the contents of the tube to form a stripe as you position the tube in the correct direction.

- After application, wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

**CONTAINER HANDLING**

- Do not remove the dispensing tip. Twist dispensing tip clockwise about ½ turn while pushing down to break the tube's seal. DO NOT remove the dispensing tip.

**PHYSICAL OR CHEMICAL HAZARDS**

- COMBUSTIBLE:

- EXPLOSIVE:

- TOXICITY:

- CORROSIVE:

- RADIOACTIVE:
