WARNING:
- In some areas, this product is restricted to use only by Pest Management Operators. Check with your local state or local health authority for laws and restrictions that may apply in your area.
- Do not use this product on or near impervious horizontal surfaces such as sidewalks, driveways, or garages.
- Do not apply this product on or near food, food processing equipment, or food contact surfaces.
- Do not apply directly to water, to areas where surface water is present or to drainage ditches, storm drains, or surface impoundments.
- Do not apply this product in a way that will contact workers or other persons either directly or through drift. Only protected handlers may be in the area during application.
- Do not apply this product in a way that will cause the pesticide to enter or run off into any surface waters, including Swiss, storm drains, or ditches, or to any underground system or special function water system.
- Do not use in food areas of food handling establishments, restaurants, or other areas where food is prepared, processed, or served.
- Keep containers, equipment, and treated areas free from children and pets during and after application. Wash thoroughly and dry hands after handling.
- Do not use this product near food or food preparation areas or where food is process.
- Do not store or use in any location where food or food contact surfaces are located.
- Wash thoroughly and dry hands after handling.
- Do not use this product in the vicinity of public recreational water supplies.
- Do not use in any manner other than as directed.
