EasyDefense Flea & Tick Shampoo uses natural botanically derived active ingredients proven effective at repelling fleas and ticks. Protecting your dog comes easy with no synthetic pesticides or harsh chemicals, just the natural botanical repelling powers of geraniol and peppermint oil.

**Active Ingredients:**
- Geraniol: 0.9%
- Peppermint Oil: 0.2%

**Inert Ingredients:**
- Soap (from Potassium Olivase and Laurus Nobilis Fruit Oil Soap and Potassium Cococete Soap), Water, Wheat Oil: 98.9%

Total: 100%

**DIRECTIONS FOR USE:**
Wet dog thoroughly and apply shampoo down the back. Massage all over dog including paws making sure to avoid the eyes, nose and inside ears. Leave on for two minutes, add water and lather again. Rinse completely. Can be used year round on pets 4 weeks and older to lessen occurrence of fleas.

**WARNINGS:** Wash hands after shampooing. Keep out of reach of children. Keep away from eyes. Avoid contact with eyes, mouth and mucous membranes; or open wounds. Rinse immediately with water. Product contains ingredients that may cause allergic reactions. If allergy occurs, stop using these types of products. After use, dispose of product and packaging. Do not use for puppies under 4 months. Store in a cool, dry place. Do not exceed 60°C (140°F).
