DIRECTIONS FOR USE:
Spray on your pet’s body, avoiding head and eye area, moving fur back and forth to lightly coat. Let product completely dry. Apply once a day or before a pet goes outside. Spray can also be used in and around the house including pet bedding, collars and rugs to help repel pests.

WARNINGS: External use only. Do not swallow. Keep out of reach of children. Keep away from heat. Do not spray near animal’s eyes or mucous membranes. Do not use on dogs under 9 months. Product contains ingredients that may cause allergic reactions. If allergic occurs, stop using these type of products. Store in a cool, dry place. Do not reuse empty container. Dispose of per local state or federal regulation.

EasyDefense Flea & Tick Spray safely repels pests from your pet by utilizing the natural powers of geranium and peppermint oil.
