**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**Shake Well Before Using**

Not For Use on Humans

**Bedbugs:** Spray mattresses, particularly around tufts and seams. Take beds apart and spray into all joints. After mattress is dry, cover with mattress cover and sheet. do not use mattress without cover. Treat baseboardings, moldings and floors. Repeat if reinfestation occurs, but not more than once every 2 weeks. If lice infestations should occur on humans, use a product labeled for use on humans.

**To Kill Lice and Louse Eggs:** Prior to large-scale applications, spray in an inconspicuous area to test for possible staining or discoloration. Inspect after drying, then proceed to spray entire area to be treated. Hold container upright with nozzle pointing away from you. Depress valve and spray from a distance of 8-10 inches. Spray each square foot for three seconds. Allow all sprayed articles to thoroughly dry before use. Spray only those garments and parts of bedding, including mattresses and furniture that cannot be either laundered or dry cleaned. Do not use on sheets or pillowcases. If lice infestations occur on humans, use a product labeled for use on humans.

Read Entire Label before Each Use
