Net wt.: 1 lb. (454 g)

FIRST AID
IF IN EYES: Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 – 20 minutes. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth if possible. Call a poison control center or doctor for treatment advice.

IN CASE OF EMERGENCY CALL: 1-800-654-6911
Have the product container or label with you when calling a poison control center or doctor or going for treatment.

DIRECTIONS FOR USE
When the pH value of the water drops below 7.2, as determined by the use of a pH test kit, add the following amounts of Rendezvous® Spa Specialties™ pH Up for every 500 gallons of water while the pump is on.
Compatible with bromine, chlorine, salt water, ozone, minerals and biocides.
When pH is below 6.8 add 4 tablespoons of Rendezvous® Spa Specialties™ pH Up.
When pH is between 6.8 and 7.2 add 2 tablespoons of Rendezvous® Spa Specialties™ pH Up.
Allow 4 to 6 hours for circulation and then re-test the water. If the pH remains low, repeat the steps above.
If the pH value is continuously low, the water should be tested for total alkalinity. If the total alkalinity is low, it should be corrected by adding Rendezvous® Spa Specialties™ Alkalinity Up.

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS. WARNING.
Causes moderate to severe eye irritation. May cause mild to moderate skin irritation. Avoid contact with eyes, skin, and clothing. Avoid breathing dust. Wear goggles and rubber gloves when handling. Wash hands thoroughly after handling. Remove contaminated clothing and wash before reuse. Do not mix this product with other chemicals.

STORAGE AND DISPOSAL: Keep product in tightly closed container when not in use. Store out of reach of children and away from heat or open flame. Use entire contents, then triple rinse and offer for recycling, or dispose in accordance with state and local regulations. Do not reuse empty container.
