PERSONAL INJURY REQUIRING HOSPITALIZATION. RELATED COMPLICATIONS MAY LEAD TO DEATH.

General Precautions and Restrictions:

- Pesticides are hazardous. Improper disposal of excess pesticides, their containers, or waste materials mayp contaminate water, air, or surface water and groundwater supplies.

- Pesticides may be hazardous to handlers, other workers, or others in the area if proper precautions are not taken. Read and follow all instructions and precautionary statements on the pesticide product label.

- Pesticides are hazardous to children and pets. Children should not be allowed in areas where pesticides are being used or where treated areas are located.

- Do not apply pesticides in a manner that will result in their drift onto or onto water or onto other areas not intended to be treated.
